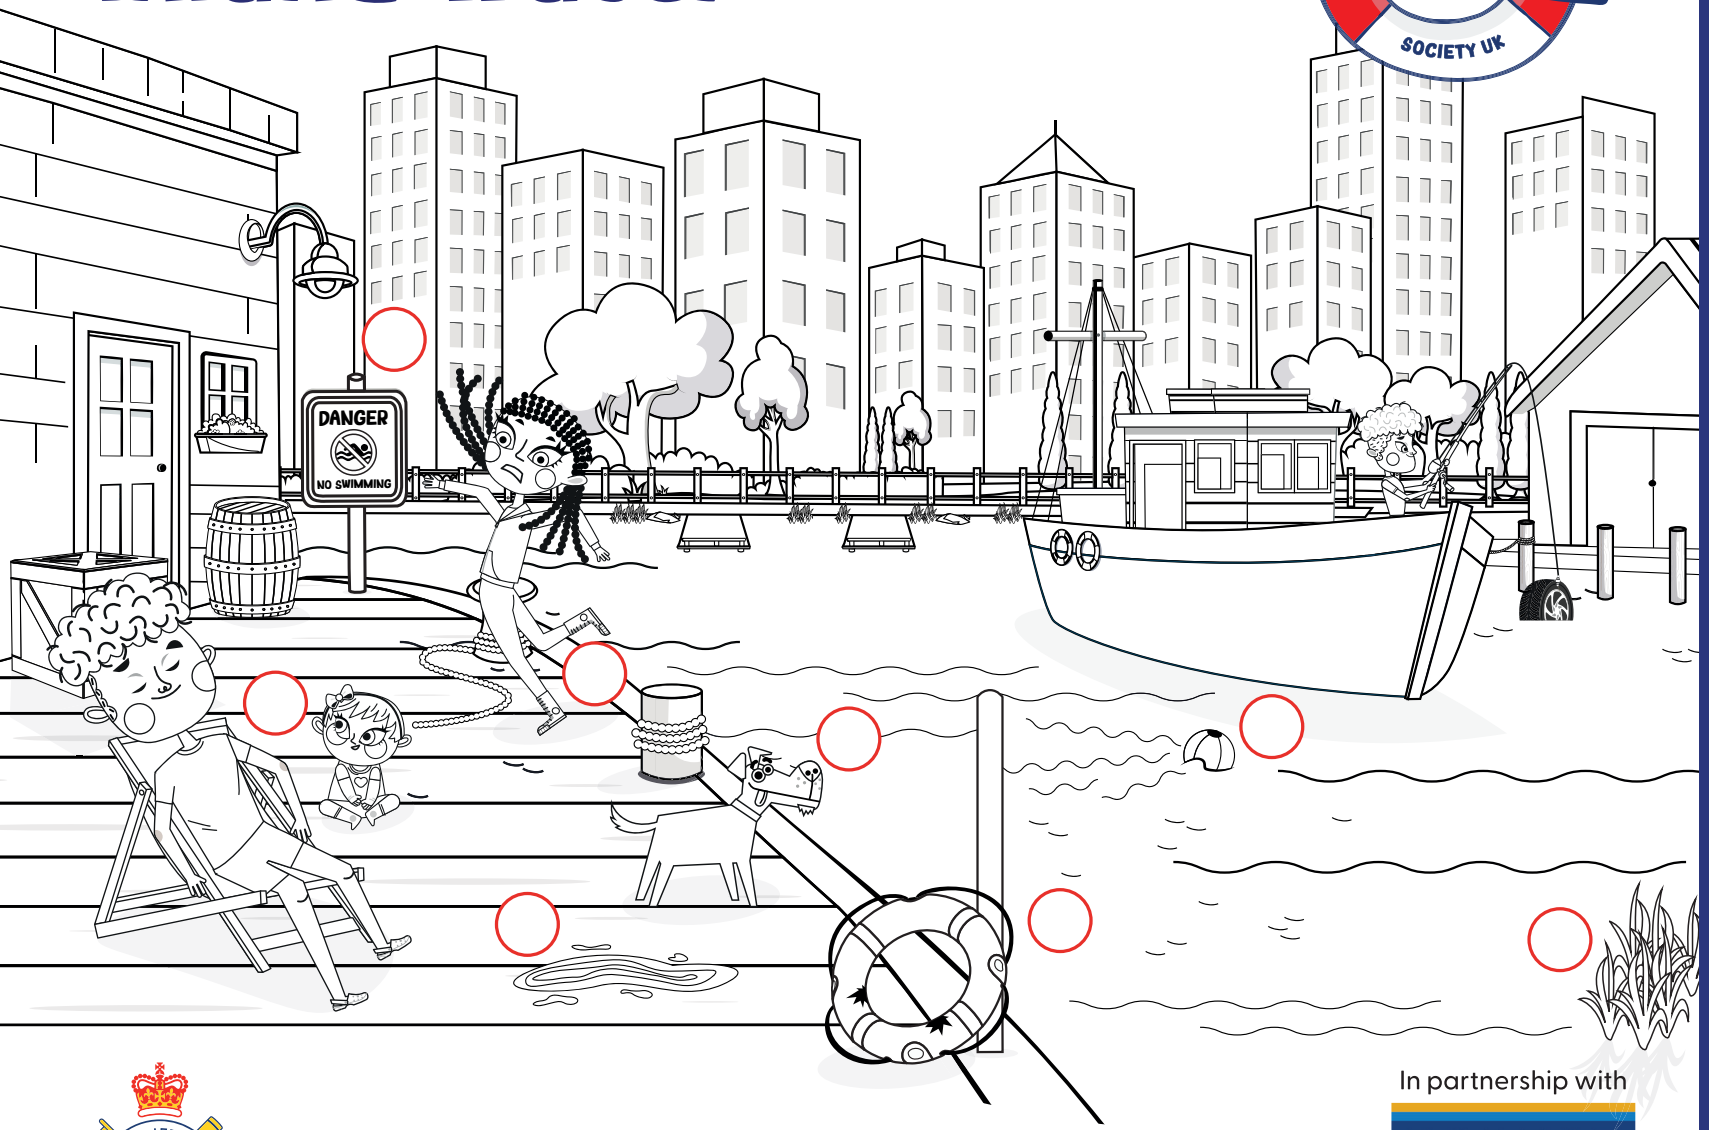
Water Safety by inland water

ROYAL LIFE SAVING SOCIETY UK
Drowning Prevention Week



DANGERS

Can you match the following advice with the dangers on the picture?

1. Don't go into the water to get lost toys or play with wild animals. Follow the Water Safety Code
2. Animals may run into the water so keep dogs on a lead when near water or slippery banks
3. Weeds or branches underwater can trap you
4. Beware of litter and slippery surfaces (e.g. wet rocks or wooden floors)
5. Safety signs give information to keep you safe
6. Watch out for things you may trip over or slip on
7. Stay within arm's reach of an adult when you are in, on or around the water
8. Rescue equipment may be missing or broken

Always follow the WATER SAFETY CODE
