# WE ARE THE CHAMPIONS!

Sutton Road hosted the league plate finals for the Y5/6 Mansfield School Games football league.

5 schools from across Mansfield who participated in the league played in this competition. We played a round robin and then the top two teams played in the final.

Our first game was against St Peter's, we had such a bright start to this game creating lots of chances winning the game 2-0.

We then played Northfield, this would turn out to be our toughest game of the afternoon. Having played them on Thursday we had a game plan to stop their best players in this game with tight marking restricting their passing movements. Although we didn't score in this game, we didn't concede either and drew 0-0.

Our third game was against Flying High. We had previously played this school earlier in the year and won the game. However, they had a much-improved defence, they cleared the ball well and their goalkeeper made some incredible saves this kept the game to 0-0 getting a 2nd draw of the afternoon.

We went into our final group game, knowing that a win would take us through to the final, we had a mixed start to this game struggling to score but near the end of the game two quick goals secured a place in the final winning the game 2-0.

The final was against Northfield Primary, who had the same record in the group stage as us winning 2 and drawing 2 so we knew this would be a tough game. This was a very scrappy game with not many chances for either team, again we played with the game plan to try to stop their best players. About 5 minutes into the final a corner was played in and although it was bouncing around it ended up in their net making it 1-0 to Sutton Road. Mr Marshall then went into panic mode and put 4 defenders on the pitch in a 7 a side game. This worked and the final whistle went on a historic afternoon for the school.

Sutton Road won the plate competition, and all the team received a medal!

Well done to all the players: Oliver, Daniel, Ilyas, Finley, Corey, Jack, Marshall, Mohammed, Albin and Louis.

# Mansfield Town Penalty Shootout

This half term we run our annual fundraiser alongside Mansfield Town FC, the children participate in a 45-minute coached session with the Mansfield Town FC coaches, then a penalty shootout to see who the champion of each class is. All the money we raise we spend on new sport and playground equipment for our school.

The winner of each class receives a prize provided by the club. Here are some photos from our practice session and our penalty shootout session.

## Staff vs Kids Football Match 2023

On Friday 7<sup>th</sup> July students from the school football club played the staff team in our annual Staff vs Kids match. There were 4 matches on the evening all taking 20 minutes. Staff from across the school came together to make two teams. There was an amazing turnout from all the children and grown-ups who came to support and watch. This year the results were a 3-2 win for the staff on one of the pitches and a 3-3 draw on the other. Thank you to everyone who came and supported!

# Y5/6 Lunchtime Football Festival

Mr Marshall and Mr Fletcher-Newbold organised and refereed a lunchtime competition for the Y5/6 children 8 teams entered 2 of which were full girls teams. The children competed against each other in groups of 4 with the winners of each group competing in the final.

The children had an amazing time with 60 children participating!  
 Congratulations to the winning team – ‘The Winners’

Here are some of the teams that participated.

I want to thank all the children for giving it their all on our sports days and of course I want to thank everyone who came to school to support the children by encouraging them and cheering them on! I believe that all the children had an amazing time and it was great to see all the children use the school games key values.

I would like to thank all the staff who have helped deliver after school clubs and help with school events this year, from offering lifts to running clubs! We couldn't have done it without you.

And finally, a thank you to everyone who supported our annual Staff vs Kids football match 😊

I would like to wish everyone a happy summer break and I look forward to hearing all the fun active things you have been doing over the summer break. I look forward to welcoming you back next year ready for another exciting year of school sport and physical activity!
