### Mr Dugdale's Sports Fact of the Week

Impact getting active has on mental health

### Bamburgh Parents Meeting

On Monday 20th May from 2-3pm there will be a meeting for all parents of children attending this year's Bamburgh residential.

If you are unable to attend please notify the school office and a parents booklet will be sent to you giving full information. Thank you

## Tesco Tokens

Our outdoor classroom/allotment project has been chosen to go up for the vote at all local Tesco stores in their Community Project initiative. We have been put up against two other schools so it will be a tough competition. If you do shop at Tesco (or you know anyone else that does) please vote for us - every token will count. We think it is in most of the local Tescos.

Your help with this would be greatly appreciated by the PTA.

## Adventure Club

Children who attend adventure club complete a range of exciting physical activities and follow the Change 4 Life programme to think about how exercise can help them to lead healthy lives. Every two weeks the children explore healthy eating options and create a variety of delicious food.

This week the children prepared and made healthy wraps with all sorts of delicious fillings.

## “small talk”

Little ways to make a big difference

confidence you need to boost your child's language skills at home. It features simple activity suggestions, broken down for different age groups, advice and videos to help parents chat, play and read with your child whenever and wherever they are.

Here's the website address: <https://small-talk.org.uk/>

## Mr Wakeland's Computing Tip of the Week

Small Talk is designed to help parents of children up to the age of 5 to develop skills and

Well Done to all our Year 6 children who completed their SATS last week.
