Photo Consent

We love that parents are proud of their children and take photographs of them to capture moments and memories as they grow up.

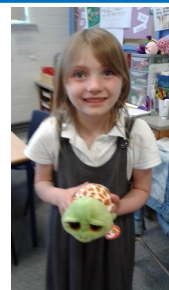

As you are aware, we always ask for parental consent to take and use photographs of your children within school.

As a school, we ask that parents gain other parents' consent before taking photographs that include their children and are then kept for personal use only and are not posted on social media. It is really important we respect this right, as all parents and children are entitled to their own privacy.

Year 1 News

Year 1 have enjoyed learning about new and old Toys in topic.

1EB had a competition to name the turtle; the children came up with some creative names. Here is the winner Casie, with her Turtle Zippy.

2NG Party Afternoon

2NG have reached the next target on their Reading Raffle Challenge and had a treat afternoon last Friday. The children came to school in non-uniform and enjoyed a party in the afternoon. The children enjoyed playing party games and eating party food. Thank you for your continued support in reading with your children at home.

Mr Dugdale's Sports Fact of the Week

Goal setting means that every person needs to have an idea about what he/she wants, whether it is in a game or in life. Sports may help in goal-setting and will improve performance levels in other areas of life.

Tesco Tokens

Our outdoor classroom/allotment project has been chosen to go up for the vote at all local Tesco stores in their Community Project initiative. We have been put up against two other schools so it will be a tough competition. If you do shop at Tesco please vote for us - every token will count. We think it is in most of the local Tescos. Your help with this would be greatly appreciated by the PTA.

Time Tables Rock Stars

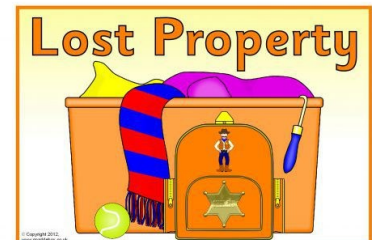

We are pleased to announce that we have purchased the Times Tables Rockstars website for the school (Years 1 - 6).

Your child has been given a login today by their teacher and the website can be accessed on tablets, laptops and computers.

Please see our website for more details and the link for details on how to access Times Tables Rock Stars!

Lost Property

We seem to have a growing amount of items in the lost property bins at the moment, and despite holding items up to individual classes, no one is claiming them. Please ask your child to check lost property for any item of clothing that may have gone missing. Thank you

Year 3 Art

During Art this week we have been out in the sunshine using wax crayons to make rubbings on our papers.

We used the rubbings and a selection of backing-paper to create sedimentary backgrounds to display our fossil pictures on.

We really enjoyed being outside and doing something different.
