Week commencing 10th June 2019

Mr Wakeland's App of the Week

The CBeebies *Get Creative* app allows your child to play independently, building their confidence as they explore open-ended activities in the creative factory with four amazing make-machines to help their imaginations soar! Get the kids painting, making music, creating stories and building toys. Join the Go Jetters, Bitz & Bob, Hey Duggee, Mr Tumble and Waffle the Wonder Dog across four out-of-this-world experiences! Download the *Get Creative* app now via the Apple, Google Play and Amazon app stores.

Year 3 Fun & Games

Year 3 had an afternoon of fun and games on the field, enjoying the sun and getting active—we had an awesome time.

Year 3 Fossils Art

In art, Year 3 have created an ammonite fossil and created a background of a rock structure, using different textures from the playground.

Mr Dugdale's Sports Fact of the Week

Playing sports helps you build good relationships with people from diverse backgrounds and traits. It encourages teamwork and thus helps in preparing you to work with different people in a harmonious manner.

Tesco Tokens

Don't forget to keep putting your Tesco Tokens in our Box at your local Tesco Store.

Thank you!

Rounders

This week, all of Year 3 had a boys vs girls rounders match. There were 2 very close matches, ending in a 7-7 draw over all! All the children tried extremely hard and played really well. We are especially proud of Miss Bunting going a whole week without falling over.

Bust the Bug

We are writing to inform parents that there have recently been a few cases of head lice identified in school. Whilst head lice are nothing more than a nuisance and do not prevent your child attending school, it is important that children's hair is checked regularly so that any lice can be dealt with quickly and before they are allowed to spread.

In an effort to help parents tackle this issue with the right tools and information, the PTA have very kindly donated towards the purchase of a Bug Buster detection comb with full instructions for every child in the school.

If you have access to the internet, please look at the short DVD presented on the home page of www.nits.net This explains simply how Bug Busting works.

All family members should be 'wet combed' using their usual shampoo, together with any inexpensive conditioner and the bright yellow Bug Buster comb provided.

- Follow the illustrated step-by-step instructions packed with the Bug Buster comb to check the whole family.
- If you find any lice on Day 1, you can get rid of them by combing them out there and then, and that person will not be contagious again until day 5. Repeat this procedure on the following days to clear this infestation:

Days to Bug Bust:

Day

1	2	3	4	5	6	7	8	9	10	11	12	13	14
---	---	---	---	---	---	---	---	---	----	----	----	----	----

Bust the Bug

Bust the Bug

Bust the Bug

Bust the Bug

- This will ensure all lice hatching from eggs between sessions are removed.
- To remove all the harmless unsightly eggs attached to the strands of hair you will need a Bug Buster Kit that contains a Nit Buster comb available free on NHS prescription to children with head lice, or you can purchase one from the website www.chc.org
- There is no need to keep a child off school during Bug Busting.
- For one-to-one advice please contact **The Bug Buster Helpline on 01908 561928** (10am - 4 pm weekdays)

Nursery Provision

From September 2019 (Autumn Term) we will be offering 30 hours provision in Nursery for children who are eligible. To be eligible for 30 hours there is certain criteria that must be met by parents. Further information can be gained at: <https://www.gov.uk/government/news/thousands-of-parents-benefit-from-30-hours-free-childcare-early>

If you are interested in taking up this offer then please notify the school office, Jo Angela or any of the Nursery staff.

Nursery News

We have an exciting last 7 weeks planned for the children in Foundation with lots of interesting topics to learn about such as 'Minibeasts' and 'Journeys'. We will be taking part in basketball sessions on a Wednesday morning so please ensure the children have their PE kit in school.

We have lots of fun days activities planned for all of the family to get involved in; including our Father's day breakfast (Friday the 14th June), whole school transition day (Wednesday 3rd July), our Foundation Sports Day and a Teddy Bear's picnic for the children (Friday 12th July) and our Graduation assembly (Wednesday 17th July).

We also are excited to say we are currently planning our trip to Sherwood Pines for the children (further details to follow). Thanks, The Foundation Team.

Important dates for your diary
