## Newsletter

**Week commencing 15th July 2019**

### Gold Award

A massive well-done to Sutton Road for achieving the School Games Award three years in a row! We have high levels of physical activity within school, engage children with leading PE and sports and enter a lot of competitions and festivals! We are sending out a huge thanks to staff, parents, coaches and the children who have all made this possible. We couldn't achieve this without your support.

### We Won!

Sutton Road Primary School won the one hour visit from Henry and George.

A huge thank you to everyone who voted for us on Facebook. The boys will be coming into school to meet the children a few at a time.

### Nottingham Trent University

Year 6 enjoyed a trip to Nottingham Trent University. We got to explore and had a tour of the campus. We loved the Robotics department. In the afternoon we made graduation puppets and had our very own graduation.

### Key Stage 2 Sports Day

Well done to all the children in KS2 who took part in this years sports day. Everyone was amazing!

Congratulations to France who won the Key Stage 2 Sports Days.

## Travel Trackers

As you may remember we took part in a sporting challenge at Sutton Road to track how children got to school.

The winning classes were 2NG and 3AD. As a reward, the classes planned to go to Titchfield park and this had to be cancelled due to the weather. This has been rearranged for the afternoon of Tuesday 16th July. We will be leaving school at approximately 1.15 and we will be back at school for normal home time.

If you would not like your child to go, please ensure you speak to your child's class teacher.

Parents are all welcome to come and join in the fun. We will need as many parent helpers as possible. If you could help, please let your class teacher know.

In the event that it is raining, we will be cancelling the event and the children will take part in fun activities at school.

Children need to come in to school in school uniform but we recommend that they bring comfortable clothes and shoes that they can play in at the park.

Please do not bring along toys. Some sports equipment will be brought by class teachers.

## F1 News

The children in F1 have been very excited this week to release their butterflies. We have looked after them from when they were tiny caterpillars and watched them make their cocoons just like 'The very Hungry Caterpillar'. We watched them fly into the air and some of them even stayed on the playground so that we could get a closer look. What an exciting day!

## Mr Dugdale's Sports Fact of the Week

Playing sports helps you build good relationships with people from diverse backgrounds and traits. It encourages teamwork and thus helps in preparing you to work with different people in a harmonious manner.

## Dance Show

Mr Dugdale and Miss Bunting took a group of Year 3 and 4 girls to a dance show at Manor on Wednesday.

The girls were absolutely fantastic dancing to 'Be Our Guest' from Beauty and the Beast and the judges commented on their timing and how neat and tidy their performance was.

We did not win the over-all WOW factor but the judges said it was a tough fight between us and the winner.

The girls were absolutely amazing and we were very proud of them.

**MONDAY**

Mediterranean Tagliatelle  
& garlic slice

Soya Milk Gluten

**OR**

Vegetarian roll, gravy  
& jacket wedges

Soya Gluten
