Aldi's Kit for Schools

Sutton Road is taking part in this Aldi promotion.

We could win a fantastic £20,000 cash prize with Aldi's Kit for Schools.

From 6 September, when you spend £30 in any Aldi store, you will receive a special Team GB athlete sticker to send in to school. Complete a poster with 300 stickers to receive a school sports kit, and be entered into the prize draw to win one of twenty £20,000 cash prizes!

So can we ask parents to send their children in with any stickers they collect.

Thank you

F1 Treetop Thursdays

During these sessions we go outside onto the field and explore the environment around us through a variety

of activities. These sessions happen every Thursday regardless of the weather but for this to happen we need your continued support in making sure your children have the correct clothing in school.

Please ensure your child has:

A warm and waterproof coat

A hat, scarf and gloves

**A pair of wellies in a labelled carrier bag –
as well as school shoes to enable us to
change muddy footwear**

These things can stay on your child's peg in a labelled carrier bag if you wish so they are always available in school.

As always we appreciate your support in order to offer these fantastic experiences to your children.

Fur, Feathers and Scales

Year 1 were lucky to have Kristan Harness from Lion Learners visit on Tuesday 3rd

September to start our new vehicle titled "Fur, Feather and Scales" Kisten bought a wide range of her pets with her which the children were able to handle. She introduced us to both common pets such as rabbits, tortoises and bearded dragons and some more unusual pets which included quails, salamanders and degus and most of 1AS either held or let Tilly the tarantula sit on their knee.

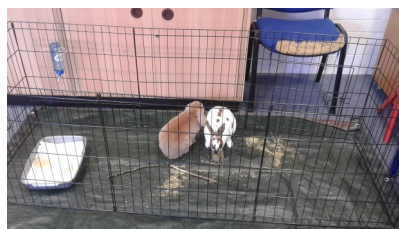

Kristan talked about what these pets needed to be fed and introduced the children to lots of science words which we will be exploring in more detail in future sessions. The animals were all really well behaved and both children and staff enjoyed the morning, learnt lots and were able to recall lots after the session.

"Tarantulas eat insects"

"A tortoise lives on land and has a different shell to a turtle."

"Corn snakes live in America and eat mice."

"A bearded dragon is a type of lizard and has scales so it is a reptile."

Swimming Kits

We desperately need spare items of swimming kits for when children forgot them. If you have any spare items of the following, we would be really grateful if you could donate them to school.

Towels

Girls Swimsuits (ages 7, 8 and 9)

Boys Trucks (ages 7, 8 and 9)

Thank you

Lunch Box Ideas

At school we recommend you put at least 3 items in your child's lunchbox, including a sandwich (or substitute) a snack and a healthy desert. This could mean a sandwich, a packet of crisps and a yoghurt, but you may wish to add in another snack for your child such as carrot sticks.

There should be no fizzy drinks and children should only have chocolate in the form of one chocolate biscuit from a multipack.

Lights, Camera, Action!

This week, year 4 got the chance to visit Mansfield Odeon Cinema for a special viewing of the Lion King and to get a very special 'behind the scenes' tour of the cinema.

After watching their very own private viewing of the film, the children got to ask staff questions, get information which links into their 'Lights, Camera, Action' vehicle and even got to go into the projector room and see how the films are played.

While completing their information worksheets, the children were given lots of treats including brochures, popcorn boxes and bags as well as 3d glasses.

They were even given some very secret information about the cinema getting its very own IMAX screen which will hopefully be open in time for the new Frozen Film.
