## Newsletter

Monday 23rd September 2019

### Can I use different Art medias to create a Space picture?

We created our Space backgrounds by splatting paint on to a black background.

We used the colour-wheel to identify 'primary', 'secondary' and 'tertiary' colours.

This then helped us identify which 'harmonising' colours to blend.

We used oil pastels to blend harmonising colours to create depth and dimension to our Planets.

### Aldi

Don't forget that we are still collecting the Aldi Kit for Schools Stickers.

Please hand them to your class Teacher.

Thank You

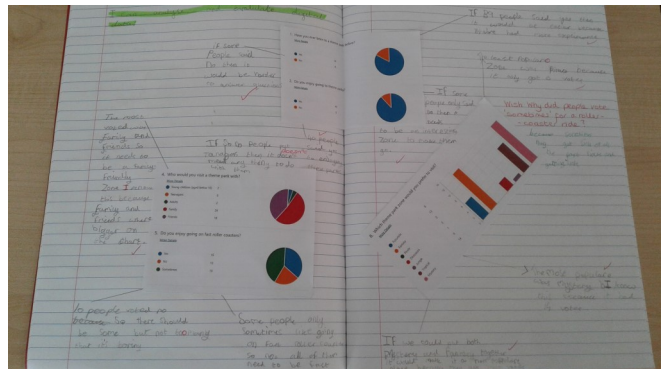

There are **20 prizes of £20,000** to be won. All you have to do is get stuck in!

### Year 6

As part of the 'Theme Parks' vehicle, year 6 this week completed a survey about theme parks.

Here is a copy of some of the work the children have done following on from the questionnaire that was completed. The children have annotated the results and it has helped them to think about the zone they may choose to design.

## F1 News

We have had a very exciting few weeks settling into Foundation One. We have been exploring lots of new resources and we have also been learning to "choose It, use it, put it away"

We are looking forward to learning all about the different areas in school, especially all the exciting things we can do outside!

Please remember to bring a coat and sensible shoes to Nursery as we go outside every day (even when the weather is bad!)

## Year 4 Art

Year 4 have been producing some big artwork related to The Lion King with Mr Kemp and will be using it to decorate their cinema experience.

## Contact Details

If parents/carers have changed their telephone number, can you please let the school office know. Not only is it important in terms of contacting you in an emergency but in future we will be using texting more frequently to update you on activities and afterschool clubs.

## The Prevention & Treatment of Head Lice

Unfortunately, we have our little visitors back in school again!

These are a common every day issue but are easily treatable. Early detection and treatment are vital in dealing with head lice and parents / carers are advised to check their children's hair once a week.

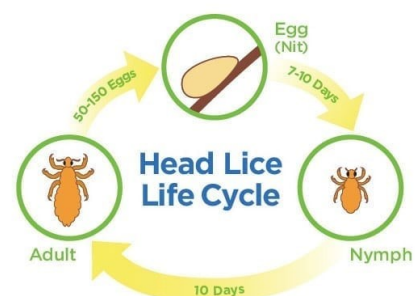

Head lice are small insects, about the size of a match head when fully grown. Their colour varies according to the colour of the hair of they host. They crawl from head to head - they do not fly or jump. Anyone with hair can catch head lice. They are difficult to find in dry hair, but in wet hair, they lose their grip, move slowly and can be combed out.

Two treatments are recommended - wet combing and lotions. It is possible to use wet combing and lotions separately, but it is best to use both treatments together.

If you do not normally pay for your prescriptions, you can receive any necessary medication free of charge from the pharmacy under the Pharmacy First scheme.

Please let us know if you would like any support from school as we are more than happy to help.

Thank you all for your ongoing support with this - together we can 'Hit the Nit!'

**MONDAY**

Vegetarian sausage roll, gravy &amp; roast potatoes

Soya Gluten

**TUESDAY**

Beef &amp; vegetable pie with mashed potatoes

Milk Fish Gluten

**WEDNESDAY**

Margherita pizza &amp; jacket wedges

Milk Gluten

**THURSDAY**

Roast pork, stuffing, gravy, mashed potatoes &amp; Yorkshire pudding

Milk Egg Gluten
