LEADERS

Digital Leaders

Mr. Dugdale is on the lookout for digital leaders to support with computing across the school.

We are on the lookout for a selection of children to make up a new intake of Digital Leaders at school. The responsibilities of the Digital Leaders will be varied, but could include:

- Editing/adding to some areas of the website.
- Writing blog posts for their class & comment on other blogs.
- Plan and lead a Computing Club at lunchtimes.
- Change photographs on the TV screen in the reception.
- Support teachers across the school when they teach computing and use new hardware or software.
- Organising competitions e.g. a drawing competition in Purple Mash.
- Attend events and other schools to share computing learning.
- Trialing new software and hardware at school.
- Help to maintain computers and other devices at school.

There will be 8-10 Digital Leaders, selected from years 3-6. To be considered for the role, children need to fill in an application form. Please apply by following the link: <http://bit.ly/2IONfwI> (you can access this link from the letters page of the website - Menu: Surveys > Digital Leaders Application) or via the school website home page.

Applications need to be in by 3pm on the 18th October 2019.

Interviews will be held on Wednesday 23rd October 2019

Year 5 Stargazers

In 5LB, our amazing Jasmine has been getting her family involved in our 'Stargazers' Vehicle, bringing in some of Grandad's newspaper articles and posters from home. We love that Jasmine has been going home and talking to her Grandad about what she has been learning in school and a special thank you to Grandad for letting Jasmine bring in your Space memorabilia!

Spirit of the Games

SCHOOL GAMES

The Spirit of the Games values of honesty, determination, teamwork, self belief, passion and respect were developed by young people to identify what the experience of school sport should be built around. The values focus on personal excellence through competition.

Honesty with others and with yourself. Having the courage to do the right thing and what you know is right. Let the best person win not the best cheat.

Determination is about the journey you go on to push yourself and achieve your dreams. Have the mental strength and self-discipline to overcome obstacles, commit to your goals and keep working every day to become the very best you can be. Don't hold back.

Treating everyone equally, supporting each other and working together to achieve at your very best level. Celebrate each other's successes and be a positive team player.

You've got to believe to achieve. Have the self belief and confidence to succeed and reach your personal best.

Giving it 100 percent. Putting your heart and soul into the game and never giving up. Passion makes you enter the race and passion makes you finish it.

Respect for the referee, for the opposition, for your team mates, for yourself and for the game. Accepting victory and defeat with grace, treating others politely and with understanding. Respect every day, in every sport and for everyone.
