Year 4 News

Year 4 have been really busy this week creating souvenirs, snacks and packaging for their cinema experiences next week.

The children have created peppermint creams and rice crispy cakes by weighing and measuring ingredients before decorating them carefully.

They have also created popcorn bags by folding, cutting and sticking A4 paper and creating a beautiful eye-catching design on the outside.

If you're booked in at our Year 4 cinema, we look forward to seeing you and hope you enjoy it!

Year 6 Drayton Manor Trip

Last week, year 6 visited Drayton Manor as part of their vehicle work – The Scream Machine. While we were there we took part in a session where we looked at the science behind Rollercoasters and designed our own.
After that, we visited the zoo and went on lots of rides. The children were brilliant and supported each other in facing their fears!

Year 4 Swimming

After half term, year 4 swimming times will change. We shall now be swimming in the morning.

Our slot will now be 9.30-10.15 so the bus will collect us at 9.00am.

Thank you.

Scholastic Book Fair

Scholastic Half Price Book Fair

We shall once again be having a Scholastic half price book fair between Tuesday 26th November until Tuesday 3rd December.

We shall very soon be putting out flyers and posters to help promote the event.

If parents go on to the scholastic website then they can buy vouchers for books which enable them to get a further 20% off.

As usual, we will also have £25 worth of vouchers (5 x £5 vouchers) that go into a daily prize draw. In order to go into the prize draw you simple have to buy an item from the book fair and you will automatically be entered.

On some days we shall also be opening the book fair at 2.30 so that parents are able to buy books as Christmas presents without children being around.

We may also be offering a 'wrapping table'.

Lets sing a song about Pets!

Year 1 Pet Show

Autumn Term Vehicle – Fur, Feathers and Scales

Fur, Feathers and Scales

What a fantastic way to end our first Vehicle! The 'Pet Show' was a great success, with a packed audience full of Parents, Grandparents, Aunties and Uncles.

The children shared their new knowledge, facts and learning, showing their Stone Pet with their grown-up, talking about the fact files they had created.

Thank you to all the grown-up that attended, the children really appreciated you coming along to support them. We will look forward to seeing you again in school at Christmas for our next major performance!!

Parking

Whilst we appreciate there is sometimes a need for children to come to school in the car, can we please urge parents to park and drive safely on the street outside school and keep our children safe.

We have had a number of parents parking on the zig zag lines and the double yellow lines outside the shop, Unfortunately if this continues we will have to take car registrations and report the police or local council. We need everyone's support in keeping our children and families at Sutton Road Primary safe.

Year 6 Cinema Experience

Here is some of the feedback from parents about year 4's recent cinema experience;-

"Liked the snacks and hot dogs."

"Well done Year 4, everything great."

"We enjoyed watching with our lovely granddaughter."

"My favourite bit was all of it."

"I enjoyed watching a film with my eldest child. Quality time."

"My favourite bit was all of it – brilliant!"

"My favourite bit was hot dogs."

"My favourite bit was all the hard work from all of the kids."

PsychologyNTUFamilyDay@ntu.ac.uk

WATCH OUT NITS ARE ABOUT!

Can we please ask that you check your child's hair on a regular basis for little visitors.

To avoid the spread of nits, please check their heads for live lice and eggs and remove them a nit comb. The Wet combing method is very effective, especially when used with a basis hair conditioner, however you can buy lots of products from the supermarket or chemist which kills both the lice and eggs.

It is recommended that you repeat the treatment at least once or twice to thoroughly make sure all eggs and lice have been removed.

Head Louse Life Cycle
1st Nymph
2nd Nymph
3rd Nymph
Egg "nit" (on follicle)
Adult

Nursery News

This week in our Treetop Thursday session we have been making some noise! We used the things we found in the environment to make different sounds and shared them with our friends.
