### Pupil Voice Meeting

A few of our year 5 and 6 children were invited to **King Edwards Primary School** to take part in a pupil voice project with children from our family of schools.

They worked in small groups to discuss what each school already has on offer for children and to consider what they would like to improve in their own school. They then brainstormed what they would like to do to improve Mansfield (for example homelessness, environmental issues and more community projects). They had a vote to decide which area they would like to action plan and how

they were going to share the workload out between the different schools.

It was a really positive experience for the children and they enjoyed meeting children from within our family of schools.

**Sutton Road Primary and Nursery School is at Holgate  
Primary and Nursery School.**

Having a collaboration school is a bit like having a brother.... you love them unconditionally, support them in all they do, celebrate their achievements and are there for each other no matter what .....BUT..... you also want to beat them at every competition there is! 🤔🤔🤔

So.....SRP families we need your help! It's Holgate Primary vs Sutton Road!

Each year group will take on their rival year group to see who can get the best attendance for the week. The winning school will then win a BONUS non uniform day for that year group on a day of their choice (teachers in that year group will help to organise this!)

For example: Year 4 Holgate vs Year 4 Sutton Road....when (🤔🤔) Sutton Road year 4 win, they'll win a year 4 non-uniform day.

The competition begins 25.11.19 and will run all that week. We've got to give it all we've got...it's not just a non-uniform day, there's PRIDE at stake. Come On Sutton Road!!!

## Tom Gates Trip

Year 5 went on their own 'Epic Adventure' to the Theatre Royal to see Tom Gates live on stage. We had fantastic seats near the front.

It was a delight to see the children enjoying themselves singing and dancing along to School Dinner Blues.

Here are a few quotes from the children about their experience:-

*Tom Gates was amazing, I recommend next years children go to watch it.*

*The songs were amazing!*

*I thought it was great we even saw Delia AKA the voice of gloom smile.*

*Tom Gates Live was the best thing ever to see. I loved all of the music and dancing.*

*It was funny and joyful to watch.*

*It was funny and I liked the story. My favourite character was Delia and her secret drumming skills.*

*I thought Tom Gates was amazing! It wasn't like the book we have read...It was even better! I liked the Chip Song especially when the lights shined on us.*

## Children in Need Day

On Children in Need Day Foundation 2 talked about how the money we raise helps different children and we found out about some local charities that Children in Need supports. Then during Fresh Air Friday we worked together as a team to create a large Pudsey Bear face using natural resources. We collected sticks for the outline, apples for Pudsey's bandage, brown leaves for his eye and nose, a stick for his mouth and a huge amount of yellow leaves for his face. When we had finished we all felt very proud of our
