### Gruesome Germs

As part of Year 2's Vehicle "Gruesome Germs" a paramedic brought his ambulance into school for the children to look at and

learn about his job. The children loved looking at the ambulance and had many questions for the paramedic to answer.

### Teeth!

Year 4 have been looking at teeth this week and we have set up our own experiment to see how different drinks can affect our teeth.

We have used eggs (because their shell is similar to our teeth) and we are testing the effects of water, orange juice and coca cola.

We will look at our eggs next week to assess the effects. What do you think will happen?

Here is a link to a game all about brushing teeth:

### Year 6 Plastic Art

As part of our new 'Plastic Pollution' vehicle, Year 6 took part in an amazing workshop with an eco-artist on Tuesday 14th January. We used plastic bottles to create the most incredible,

vivid and beautiful flowers. As you can see the children thoroughly enjoyed making them and they are all currently on display in our classrooms should you wish to pop in and see them.

## Playtimes and Lunchtimes

Starting next week, we will all be running fun and active games during playtimes and lunchtimes. Please encourage your child to come and play!

## Our first meeting

In our first meeting, we discussed what job roles everyone could have. Everyone had a choice and they all got their first pick.

After this, we decided that we would go out and support playtimes. As part of this, we are going to play some fun games at KS1 and KS2 break as well as at lunchtimes. We have decided on a rota of who is going to go out and when. This will begin next week.

Our competition leaders have arranged a meeting with Mr. Newbold to see what competitions are happening and when. We will be expecting some of our leaders to support with some of these competitions, going along taking photos and encouraging our teams!

Our chairmen have had the important job of feeding back our meeting to Mrs. Severn. It was a but nerve-wracking but they did a fab job!

## Foundation 2 News

Every Wednesday, we will be doing basketball outside with a coach. This means that an outdoor PE kit will be needed for this e.g. joggers, t shirt, trainers and a jacket. Please keep this PE kit in school all week in case any changes to the timetable are made. Please ensure all jewellery is removed to enable the children to participate. Unfortunately, due to a limited supply of spare kit your child will be unable to participate if they do not have their kit in school. Please ensure that all school uniform and PE kit, including shoes/trainers are clearly marked with your child's name.

Fresh air Friday still takes place on Fridays each week and children need suitable outdoor clothing for this. Water proof all in ones and wellingtons are ideal but any old clothes/shoes would be fine. Please ensure these are named and placed in a bag to remain at school. We go outside no matter what the weather. This is separate to a PE kit. Some children have been coming to school in wellies on a Friday due to this, but please can they be brought in a bag so children have alternative shoes to change into.
