

We were lucky enough to be able to host Mental Health Impact workshops from a company called One Goal for 35 of our children. The workshops were fun and they really helped us all to understand about our own mental health and to learn a variety of evidenced based approaches for staying mentally healthy and happy. We enjoyed learning about:

- What mental health is and what factors can affect it.
- The differences between good mental health and poor mental health.
- How to recognise the signs of poor mental health and how to seek help.
- How to take daily care for their own mental health and manage stress using a variety of evidenced based best strategies.
- Encouragement to support the mental health of other children in the school.

We have a few more sessions that will be delivered in school with resources from the One Goal Team.

The children all graduated as **Wellbeing champions**. We had a great time 😊

## Mentions:

**Foundation 2: F2KS** Alan and Oskar

**Year 1: 1AS** Jakub and Sabin

**Year 2: 2MB** Imogen and Natan

**Year 3: 3MS** Leo and Abdul

**Year 4: 4HB** Sienna and Tia

**Year 5: 5LB** Daniel and William

**Year 6: 6EB** Nyima and Mira

**2CA** Elijah and Jack

**1LS** Keegan and Amira

**2NG** Eleanor and Mia

**3EB** Taylor and Nikodem

**4AO** Aiyana and Olly

**5JS** Lola and Ifra

**6HM** Riley and Lara

**F2SB** Lilly and Atlas

**1KE** Fern and Nikola

**2JW** Bianca and Sydni

**3CM** Alissa and Manha

**4FG** Endijs and Izzy

**5LN** Tommy and Sophie-Rose

## EYFS

The children have been learning about vegetables and have loved making vegetable soup. We are really proud of them for trying something new and lots of them loved it and also found it hilarious when the blender covered Mrs Marsden and Mrs Barton in soup 😊!!! If you have any pictures of the children trying new or exciting fruits and vegetables could you please send them to the F1 email.

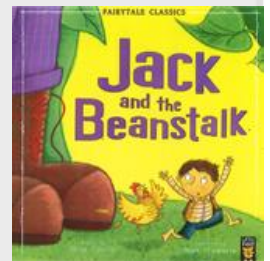

Also, just a reminder - all of F1 will now do PE on a Monday (both morning, afternoon and 30 hours children).

## KS1 (Years 1 and 2)

Year 1 are looking at Traditional Tales and have focused on Jack and the Beanstalk. We have listened to alternative versions such as

Jack and the Baked Beanstalk and have looked at the similarities and differences in the different versions. We have been looking at how the text and the illustrations can give the reader clues as to how a character is feeling and how they might say things. We practiced joining in with familiar parts of the story and used a loud voice when the text was in CAPITALS or in **bold**. We have tried to use our voices to show the different characters and their feelings when we have been role playing the story.

## KS2 (Years 3 and 4)

In maths we have been learning about Statistics. We went outside to create bar charts based around our favourite animal. We then looked at which option was the most or least popular, the sum of more than one option and the difference between two options. We enjoyed learning outside and being active in maths.

## KS2 (Years 5 and 6)

Year 5 are learning about space this half term and we have been learning about the phases of the moon. Observing the shape of the moon at night and look at how it changes over the month. You could even try keeping a moon diary at home.

### Look out for:

Please remember to keep checking Parentmail regularly to see what is happening in school as regards the **Queen's Jubilee**.

**Friday 27th May 2022** – Jubilee street party and red, white and blue dress up day.

There will be special curriculum activities undertaken during the week prior to the street party on Friday 27th May to celebrate this momentous occasion.

### Attendance:

Whole school attendance is 96.5. Highest class is 3EB and 4FG with 99.33%

### Time 2 Chat:

This week for our time to talk we would like you to once again practise those story telling skills with your child. Using any resources you have at home work with your child to create a story setting and characters. You can simply draw a simple setting or use card to create a 3D type setting. Once you have created your characters and setting take it in turns to think of and retell a story using your props. Maybe add in a different character at some point to change your story. Happy story telling 😊

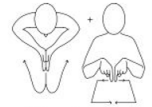

### Sign of the week:

Here is this week's Sign of the Week.
