

This week we find ourselves saying goodbye to Mrs Marie Hickling, our office team leader. She has made the huge decision that she will be leaving us and moving on to pastures new, outside the education sector. I'm sure you all will agree she will be a huge loss to our school team!

Mrs Hickling has been with the school for about 13 years, seeing many changes over the years and working alongside lots of children and staff. She has also welcomed many families as they join and move through the school, and we know she will be greatly missed by us all.

**Mrs Hickling will be finishing at the school on Friday 17<sup>th</sup> June and I know you will all join me in wishing her the very best going forward and send her big hugs from us all 😊.**

## EYFS

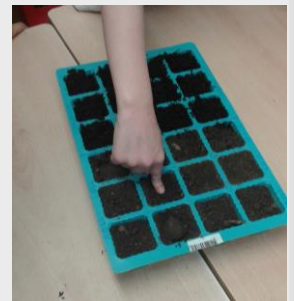

This week F1 and F2 had some exciting visitors – the police came to see us with their police car! Our new vehicle topic is all about Who Keeps Us Safe so this week we kick started our learning with exploring who the police are and how they help us!

Also, EYFS are planning a Father's Day breakfast on Friday the 17<sup>th</sup> June. So, keep an eye out for the letter coming out.

## KS1 (Years 1 and 2)

Year 1 have been investigating whether compost or soil is the best to grow plants. They had lots of ideas about which would be the best and why and how they could test this. They made a prediction and then each child planted a sunflower seed. To make it fair we used the same pots, put the pots in the same place and made sure they had the same amount of water. Our seeds are beginning to grow and Year 1 are excited to see which is the best.

## KS2 (Years 3 and 4)

Year 3 have loved learning all about Stonehenge this week. We watched videos and completed an active fact finder activity to learn how it was made and why. We discovered that it will always remain a mystery, as it was started in the Neolithic Era which was a time before written records. We created fact files to present out findings. Here is an example.

## KS2 (Years 5 and 6)

Year 5 have enjoyed their first TRIP session this week. These sessions will take place every Tuesday. The lessons will cover different areas and issues such as identity, being healthy, emotions, role models and friendships.

### Look out for:

Here are some of our amazing volunteers ♡  
 Happy belated Volunteers week - to all of you. We hope you enjoy your chocolates.  
 We are so grateful for your help and support.  
 If you are interested in becoming a volunteer, please just ask any staff member for an application form.

### Attendance:

Whole School attendance was 92.21% with 3EB at 99%!  
 Well done 3EB!

### Time 2 Chat:

This week we would like you to ask your child the questions below.  
 Maybe you could then swap over and share your ideas with them.

If you could have any superpower, what would it be?  
 Why would you choose it?

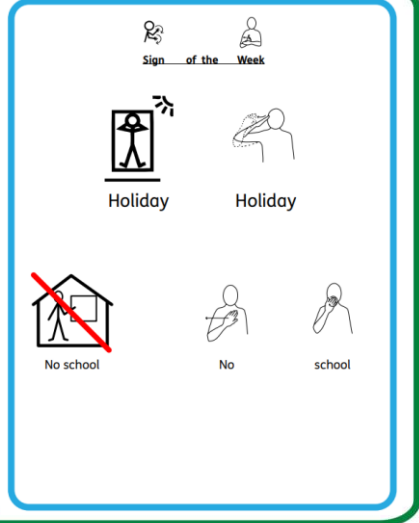

What would you do with it?

How would it help you?

Can you make up a story where you use your superpower?  
 Happy talking 😊
