

Important messages for this week:

Sutton Road Y5/6 Dance Team

On Wednesday the Y5/6 dance team travelled to a Commonwealth Games dance festival which saw 8 schools from around Mansfield come together to perform and celebrate together through dance. We focused on three main themes whilst we were there: teamwork, self-belief and motivation. The dance team worked hard with coach Haley coming up with a fun and complicated routine, Mr Marshall and Mrs Byrne hadn't seen the dance before and were blown away with how the whole team performed together and showed other schools how coordinated they were. After speaking to some of the children who attended, they said they loved the festival and they commented how fun and exciting it was to not only perform in front of others, but watch other performances too. All the children received a certificate and the school received a goody bag. Well done team you did Sutton Road proud!

EYFS

As part of our Vehicle 'I wonder how I can stay safe' we have been learning about the staff who work in a hospital. We have been learning about Doctors, Nurses, Midwives, Paramedics and Hospital porters and how they can help us – we even had a go at pretending to be some of the staff in the hospital and making our patients feel better! We can't wait to start learning about Firefighters next week!

KS1 (Years 1 and 2)

Year 2 have taken part in football training with Stags this week. We have practised dribbling and shooting and then we had a mini match of football. We all had great fun and are looking forward to our sponsored penalty shootout.

KS2 (Years 3 and 4)

Year 4 ventured to Mansfield library to meet an author and an illustrator: Alice Harman and Pete Gray.

Alice helped us to create ideas for a non-fiction book and Pete helped us to illustrate our characters using red and blue crayons. We loved seeing how books are created and asked lots of great questions. Year 4's work will be displayed within the library's 'gallery' throughout the Summer holidays so make sure you stop by and have a look.

The library is also running its usual "Summer Reading Challenge" with lots of great prizes for reading.

KS2 (Years 5 and 6)

Calling All Year 6 Parents!

We would love you to join us for an afternoon tea, for the end of year celebration, being held from 4.15pm on 21st July. We are very excited to celebrate your child's time at Sutton Road.

On Thursday our Y5/6 team played a friendly football match vs King Edwards Primary school. Both teams were relatively inexperienced having not played many matches this season. However, that didn't stop them performing in a closely contested game that saw lots of good attacking play from both sides. It took a while to score the first goal, but it went to Sutton Road with Daniel scoring from Jack's corner! The King Edwards goalkeeper saved many shots from Tristan, Louis and Adams. The Sutton Road defense stayed strong with George, Jack, Daniel and the goalkeeper Oliver keeping a clean sheet until half time. Sutton Road were to face a different second half with King Edwards being the better attacking team. creating loads more chances either saved by the second half goalkeeper Jack or narrowly going wide. King Edwards looked the most likely to score next, however a quick counterattack with Jack running through doubled the home sides lead. Again, King Edwards didn't give up and scored just before the final whistle. Overall, a closely contested match with both sides embracing the spirit of the game.

Attendance:

This week's attendance is 93.84% =(which is very low. The classes with the highest attendance are 4FG and F2CA with 99.31%.

Time 2 Chat:

For this weeks time to talk we have a fast paced game for you to play with your child. You need to ask your child their preference between two things ie:

What's better – banana or apple?"

"Banana"

"What's better – banana or cheese?"

"Cheese"

"What's better – cheese or chocolate?"

"Chocolate"

"What's better – chocolate or ice cream?"

"Ice cream"

Of course, you don't have to choose food – books, TV shows, superheroes, sports etc are fine. Anything that encourages your child to think and talk.

Maybe you could then swop over and encourage your child to ask you questions to find out about your preferences? Happy talking😊
