Autumn 1 Week 3

Week beginning – 19.09.22

Design a sign

Over the past year, we have been working hard to utilise all of the space available to us within school. We have been developing a number of areas both inside and outside of our school buildings and I am excited to inform you that later this year will also see the launch of our new 'Mobile Library' and our 'Design Room' for Art and Technology sessions. In order to unveil our new learning areas, we have partnered up with a local Mansfield company to bring an exciting competition to the children of Sutton Road. We are inviting the children to design a sign for either (or both) our 'Mobile Library' and 'Design Room'. The winning designers will then be given the chance to visit the well-known local creative marketing agency Linney to see their design being turned into an end-product. We encourage the children to be as creative as possible with their designs but to ensure that the names 'Mobile Library' and/or 'Design Room' are clear within their plans. All entries should be completed on the back of this letter and should be handed in to class teachers just after the Autumn half-term holidays (4th November).

We are really looking forward to seeing how creative our children can be.

Time 2 Chat:

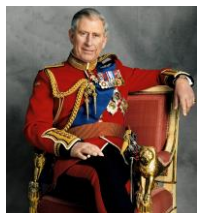

This week we would like you to talk to your child about the Royal Family and how things will change now we have a new King. Perhaps you could talk to them about what they remember about the Queen from when we celebrated her Platinum Jubilee?

Then maybe you could ask your child if they were King what would they do?

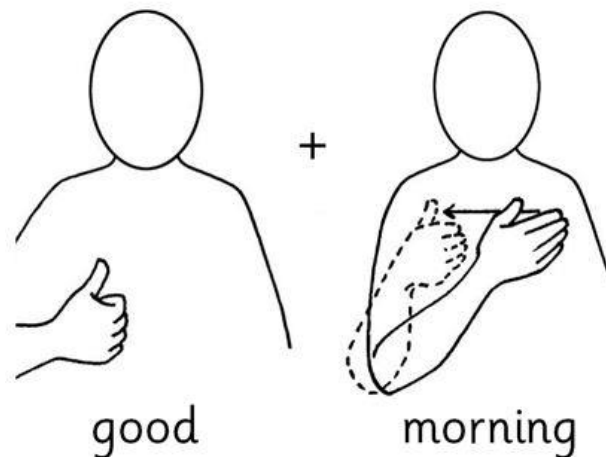

What would they change?

What rules would they have?

etc

Sign of the week:

EYFS

This week in nursery we have been learning all about ourselves and our families! We've been looking at what different parts of our bodies are called and we have been looking in the mirror to paint our portraits.

Remember to send us pictures of your family so the children can look and talk about them at nursery.

Thank you F1 team

KS1 (Years 1 and 2)

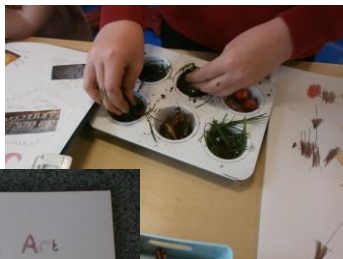

Year 1 have been looking at old and new toys and discovering how they are similar and different.

They have been using the vocabulary old, new, past and present. We found that lots of new toys are made from plastic and are electronic but toys in the past were made from wood or metal. Some toys look similar like teddy bears and dolls but they feel different as old dolls had pot faces and teddy bears were not as soft and cuddly as today.

KS2 (Years 3 and 4)

In Year 3 we have been learning about how and why Stone Age cave art was created. We foraged on the school field for natural materials like soil, sand and berries and used these to create our own 'paints' like cave artists. It was hard work but lots of fun!

KS2 (Years 5 and 6)

Year 5 have started Bible Explorers this half term. We have been learning about different stories from the bible. This week, we have learnt about the story of Moses and we enjoyed dressing up as different characters.

Nursery Rhyme of the week

This week we would like you to support your child in learning the following Nursery rhyme. We have been practising in school so they may even be able to recite it to you 😊
