

Newsletter

Earlier in the term, we held a **competition** to design a sign for our new “Design room” for Art and DT and the “Mobile library”.

Our winners, **Adam Dancy** and **Lujain Mohamed** have visited Linney Activate in Mansfield to see their sign made.

Well done to everyone who sent in a design; it was a really tricky decision to make!

Time 2 Chat:

For this week, we would like you to focus on story telling with your child and in particular using the language we find in stories that may help with oral retelling.

Grab an empty jar from your kitchen and some torn up pieces of paper. On each small piece of paper write a random word or phrase. This could be anything, such as cat, princess or a phrase from a story eg “I will huff and I will puff”. Put all the torn up pieces of paper inside the jar. Then take turns to take out a piece of paper.

Whatever the word is on that paper, that person must tell a story using that word or phrase. If your child gets stuck, you can use prompts, such as:

“What does your character see or hear?”

“Who else is there?”

“What does the place look like?”

Be as creative as you like. You could even have a go at making up a silly story to make each other laugh 😊

Sign of the week:

EYFS

The F1 children are very excited about our banquet, a knight visited our classroom and left us a rainbow scroll! We have been looking at what food we might eat, what we need to wear and who might be there!

We have also been very busy making crowns and pretending to be kings and queens.

KS1 (Years 1 and 2)

The children in Year 1 have been scientists as part of our vehicle.

We recalled the story of the Three Little Pigs and that the strongest material to build a house was brick.

Firstly, we looked at the different types of Bonds a builder might use when building a house. We then predicted which bond we thought would be the best.

We shared ideas on how we could test this and make it a fair test. We decided we needed to:

- use the same number/type of bricks
- build a wall to the same height/length
- test it in the same way.

We had lots of fun building our walls and found out the at the Stretcher bond

KS2 (Years 3 and 4)

Year 3 have been using clay to make pottery as people in the Neolithic era of the Stone Age once did. We added designs using natural materials which Stone Age people might have used, such as sticks and our fingernails. It was messy work but we all enjoyed it!

KS2 (Years 5 and 6)

In Year 5 we have had a visit from the Salvation Army. Andrew told us all about his role in the Salvation Army and what the charity is about. Andrew also showed us the kind of things that we can do to help people who are homeless.

We really enjoyed learning about their important work.

Nursery Rhyme of the week

Wind the bobbin up
Wind the bobbin up
Wind the bobbin up
Pull, pull, clap, clap, clap
Wind it back again
Wind it back again
Pull, pull, clap, clap, clap

Point to the ceiling
Point to the floor
Point to the window
Point to the door
Clap your hands together now
One, two, three
Put your hands upon your knee

Autumn term 2022

- Schools close - evening Wednesday 21 December 2022

Spring term 2023

- Schools open on Wednesday 4 January 2023
- Half term - Monday 13 February 2023 to Friday 17 February 2023
- Spring break - Monday 3 April 2023 to Friday 14 April 2023

Summer term 2023

- Schools open on Monday 17 April 2023
- May Day Bank Holiday - Monday 1 May 2023
- Half term - Monday 29 May 2023 to Friday 2 June 2023
- Schools close - evening Tuesday 25 July 2023

Attendance

Last week attendance for the whole school was 94.83%.

The classes with the best attendance were 4CM with 98.89% and 2NG with 98.41%.
