Autumn 2 Week 6

Week beginning – 05.12.22

Leon's Legacy

We have received a defibrillator for our school, kindly donated by a charity Leon's Legacy. Leon was a Mid Day supervisor in a local school, who had a cardiac arrest and whilst Leon didn't make it, the family have been raising money to put this piece of lifesaving equipment in schools across Nottinghamshire and beyond. Many of our staff attended the Defib training that the charity also provided and some of us trained on using the defib within our first aid training. [Many Thanks to Leon's Legacy!](#)

Time 2 Chat:

As the Autumn term is coming to an end children in school have been completing their end outcomes for their vehicles. Please talk to your child about what they have been doing as their end outcome.

Have they created something?

Have they experienced something?

Or are they doing something for others?

Perhaps you could also ask them some questions about the vehicle they have covered eg

What have they learnt?

What have they done?

Which part have they enjoyed most?

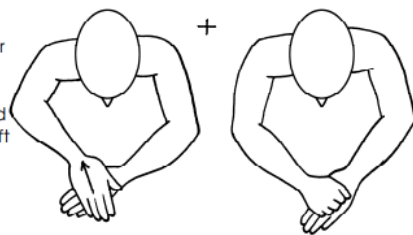

Can they remember any interesting facts?

Happy talking 😊

EYFS

To finish our curriculum vehicle work “**I wonder what the world was like before I was born**” the children in F2 attended a Royal Banquet. We have been learning about medieval castles, Royal families and banquets this term to help us get ready for the Royal Banquet – we put on our best Royal party clothes and made paper chains and crowns!

KS1 (Years 1 and 2)

Some of the Y2 children took part in a live National Literacy Trust video event where we got to join in a live session with Nick Sharratt, the author of *Shark in the Park* and many books. During the session, Nick talked to the children about his latest book and some of his techniques for drawing, before the children got to practise these skills with their own drawings of a superhero.

KS2 (Years 3 and 4)

4AO were a bit too cold for outdoor PE this week so we completed a fun task in the classroom.

We practiced giving instructions to our blind-folded partner, including left/right clockwise/anti-clockwise and 90 degrees to get through our mazes.

I think it's safe to say, we had to practice a few emergency stops when our partners didn't quite follow the instructions well enough!

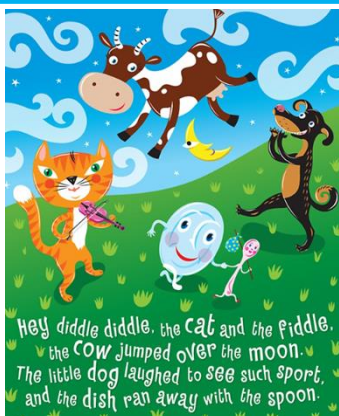

KS2 (Years 5 and 6)

Year 6 are coming to the end of their Ancient Egypt topic and have begun to design their very own death masks inspired by Tutankhamun. The children will be sculpting using clay and tools to create their own likeness using their knowledge about the ancient Egyptians.

Nursery Rhyme of the week

Last night Mr Marshall and Mrs Byrne attended the Mansfield Sports Awards. Sutton Road Primary School is the first school in Mansfield to achieve the Platinum School Games Mark! This is the highest school sports award a school can achieve. We are so proud of all the children who has made this possible and the parents who get involved with our #LetsGetMoving campaign.
