Dear Parents/Carers,

As you are possibly aware, we are now preparing our year 6 children for our Summer Term SAT's tests. Part of our provision is to give some extra 'booster' support to all of our pupils as we know from experience, they will benefit from extra provision to help them achieve by the end of year 6, especially this year in light of the time they missed in school due to Covid lockdowns. We will be providing some extra 'booster' sessions for reading and SPAG after school and Maths during school time.

We are therefore writing to invite your child to attend our booster sessions:

- **'Leaping for levels in Reading and SPAG' booster sessions.** These will take place on every **Monday after school until 4.20pm** in 5EB, SCC and 5JS (downstairs in the main school building). They will start **Monday 30th January.**

These sessions will be led by staff within school. The children will be provided with a small snack and drink during this time.

The pupils will be spoken to about their need to take this support seriously as it is a big investment in them from the school. It will also be explained that poor attendance, attitude or behaviour whilst attending the booster sessions which prevents others from benefitting, will result in them having to be considered for taking out of the group. As a reward for those who engage positively, we will be providing a treat at the end of the block of sessions.

We hope you will support us in explaining how beneficial this could be to your child and look forward to working with you in helping your child achieve their best. Obviously, if you have any further questions regarding these booster sessions, please see a member of the year 6 team. Also, if you would like to support better at home with this and would like some ideas from school, please let the member of staff taking the booster group for your child know, and they will also be happy to help.

Please can you complete the attached reply slip if you are happy for your child to attend.

Thank you for your ongoing support,

Mrs Mitchell, Mrs Blakeley and Mr Fletcher-Newbold.
