Spring 2 Week 2

Week beginning – 27.2.2023

This week saw two football games for Sutton Road, both against Abbey Primary School.

On Monday, the Y5/6 'A' Team played in the football league in a thrilling encounter. The first half could have been better, as we conceded 5 goals very quickly and it looked like Abbey were going to run away with the win, however after the famous half time Jaffa cake the team rallied and marvelously brought the game back to 5-5. Now the game was balanced, the team were determined to try and snatch the win, in the end the team were unsuccessful conceding a late goal. The whole team should be proud of their achievement of not giving in and being resilient. There were two players of the match, Corey for his energy and competitiveness not giving in at any point of the game and Oliver for producing some amazing saves keeping the game close.

On Thursday the Y5/6 'B' Team travelled to Abbey Primary, this was the first game for many of the players and they with brilliant determination, respect and honesty. They worked well as a team to create opportunities to score and defended strongly against a good opposition. The team battled hard, performed some good passes together when attacking, and showed great team spirit throughout. Sadly, the game didn't go Sutton Road's way, but it was very entertaining. The players of the match were Ilyas for being a rock at the back and scoring his first goal for the team. Nauras was the other recipient of the POTM medal for never giving in and chasing after the football and creating chances for the team.

## Time 2 Chat:

As we have just celebrated World Book Day, we would like you to ask your child the following question.  
If you were to write a book for children your age to read, what it would be about?

You could use some of the following prompts to support them to think about their stories.

What characters would be in your story?

Where would your story take place?

What would happen at the end of the story?

Is there a problem in the story that needs to be resolve?

Once you have listened to your child's story maybe you could have a go at telling them your own 🗣️

## EYFS

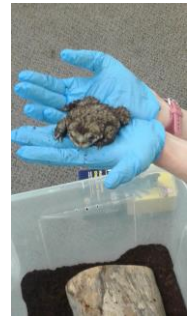

Both F1 and F2 are holding a special Afternoon Tea for Mother's Day on Friday 17th March. Look out for the letter on Parentmail for more details on timings.

Look forward to seeing you there!  
The EYFS Team

## KS1 (Years 1 and 2)

Year 1 had a visit from Kristen from Lion Learners to start off their new vehicle Fur, Feather and Scales. They were able to see, touch and learn about mammals, birds, reptiles, amphibians and invertebrates and learnt the features of each animal group. They learnt lots of new vocabulary and found out which animals were carnivores (meat eaters), herbivores (plant eaters) and omnivores (eat plants and meat). The children even got to hold a snake and a tarantula! The children thoroughly enjoyed this hands-on experience and would like to say a massive thank you to Friends of Sutton Road who donated the additional funds to cover the cost of this experience.

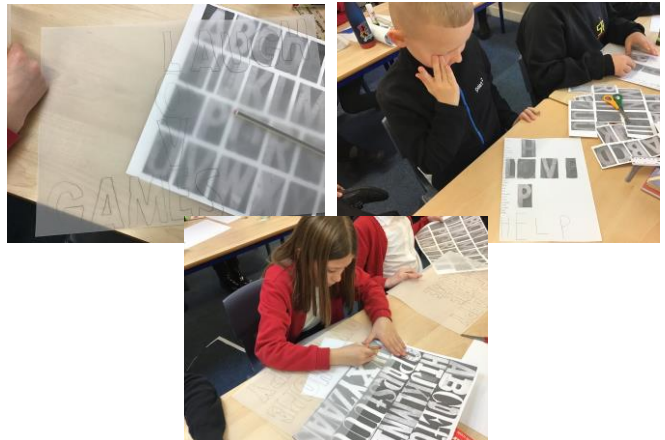

## KS2 (Years 3 and 4)

Year 3 have been learning about 2D and 3D shapes in maths. The children made models of 3D shapes using cocktail sticks and sweets. The sweets showed us how many vertices a shape has, and the cocktail sticks showed us how many edges. We made cubes, triangular prisms, triangular-based pyramids, and square-based pyramids!

## KS2 (Years 5 and 6)

Year 5 have been given the exciting opportunity of taking part in an artist's interview and workshop. All 3 classes took part in a different workshop led by a different artist. This is part of an amazing project to create some artwork for Mansfield train station. Year 5 will be completing more work with the chosen artist in the future.

## Nursery Rhyme of the week

### Little Miss Muffet

### Little Miss Muffet

Little Miss Muffet sat on a tuffet  
Eating her curds and whey,  
Along came a spider,  
Who sat down beside her  
And frightened Miss Muffet away.
