This month's challenge is to walk to school as much as you can, each day you walk to school you will score '1 mile' for your class team. The class with the most miles accumulated at the end of the week will get to keep the #LetsGetMoving trophy and display it in their classroom then the top 3 classes across the key stages will win a Marcus Rashford book for their classroom. You can score a 'mile' for you team if you walk most of the way to school. If you usually travel by car, you could ask your adults to park further away and walk in or if you travel by bus, you could get off the bus a few stops earlier. Cycling and scootering also count as 1 mile for your class.

Time 2 Chat:

For this weeks time to talk we would like you to ask your child some of the questions below.

Maybe you could encourage your child to expand on their answers by asking further questions such as:

Why would you want to be that?

What is it like about.....?

What do you think it would be like?

What would you do?

EYFS

For our vehicle this half term F2 are learning all about the carnival! We will learn about the music and performers at the carnival and even create our own Sutton Road Carnival!

F2 classes - Your task this half term is to create your own carnival Headdress in your class colour by Monday 27th March. Make it as big and amazing as you can. We can't wait to see them all at our carnival!

KS1 (Years 1 and 2)

2JW could not resist going out onto the school field before the end of the day on Friday. We all had a great time running about in the snow, playing snow angels, making huge snowballs and creating trails for others to follow. It was wonderful to be the first to run about on the snow that had fallen over the last 24 hours. We did get a little wet, but it was a fantastic way to let off some steam at the end of the day.

KS2 (Years 3 and 4)

Year 4 have started to create a Mexican emblem for our Mexican display in the corridor we have looked at the Mexican flag and used our collage skills to create the eagle on the Mexican Flag

KS2 (Years 5 and 6)

"Last week, Mr Hawkins, who works for the Environment/Highways Agency, came into Sutton Road Primary to discuss his job role. He explained how his job and previous job links to plastic pollution.

Chris discussed how he is working with companies to look at using plastic pellets in roads to fix pot holes, using nappies in road surfaces as an alternative to tarmac and other ways the company are trying to reduce their carbon footprint. He also explained that the Highways agency have to complete Environmental checks before they decide where to build new roads and part of this is to check that newts do not live in that location. Chris shared with the children the newt catcher that the children can help to make that traps newts and that helps the company with the environmental check.

We discussed how Chris has completed GCSES, A Levels and a degree in Geography to enable him to complete this role, which he thoroughly enjoys. Chris explained how he will be judging the children's final outcome which will be the plastic pollution leaflet and he will select a winner from each class.

Nursery Rhyme of the week

Polly Put The

Kettle On

Polly put the kettle on,
Polly put the kettle on,
Polly put the kettle on,
We'll all have tea.

Sukey take it off again,
Sukey take it off again,
Sukey take it off again,
They've all gone away.

On Friday 17th March Sutton Road Primary School will join thousands of schools up and down the country in coming together to spread joy, have fun and raise money for those who need it most. Because there's nothing like **Red Nose Day!** Let's face it, we could all do with a bit of a laugh right now. So, let's come together and do something amazing. Let's make Red Nose Day the best day ever.

We would like everyone to come to school with silly hair! We know there's a lot going on right now and for many people things are really tough, but if you can donate, every penny will add up to make a life changing difference. We are asking for donations, no matter how large or small which can be paid via ParentMail. The suggested donation is 50p but if you would like to donate more there is also an optional donation where you can input an amount of your choice. Thank you for your continued support.
