## Newsletter

Week commencing 28th January 2019

### Show Racism the Red Card

Year 5 have been creating pieces of artwork based upon 'Show Racism the Red Card'. Before starting the artwork, discussions were held around the topic of racism and how this impacted upon people's lives. Lessons were based around equality, diversity and stereotyping. In order to generate ideas for their artwork, children were given the opportunity to investigate other pieces of work. Different skills were covered in the art sessions to support their creations. Some of the pieces were very imaginative and definitely delivered a clear message. Well done Year 5

Show Racism the **Red Card**

### Quiddich!

Calling all Harry Potter fans! We have booked an exciting day on the 1st May where all of KS2 will get the opportunity to become real wizards and witches. We have been very lucky to book some providers to come in and deliver some Quiddich sessions. Watch this space to find out more details closer to the time.

### Olympic Athlete

We again this year will be having the Olympic athlete event in school.

Eden Francis will be coming in on Thursday 14th February 2019.

We shall be taking sponsorships for this event and the money we get will be spent on more playground games and for updating PE equipment.

The structure of the day will remain the same as last year. We will therefore invite all children to come to school on that day in their PE kits to avoid any delays between sessions.

There are also rewards on the day for those who have raised money.

## Shop for Schools

Don't forget that Shop for Schools starts Saturday 2nd February!  
Please remember to collect your points in the Four season shopping Centre.

## Numbers Day

We are delighted to be supporting the NSPCC by taking part in their Number Day on Friday 1st February 2019.

### Making maths meaningful

On 1st February we will be using fun curriculum-based maths challenges designed by Sutton Road Primary. To help raise money for the NSPCC, we are asking pupils to collect sponsorship / donations using the enclosed sponsor form.

From 8.50-9.15am we are opening up our classrooms so that you can join us to solve maths problems. This will also give you the opportunity to have a look at what methods your children are using in lessons and for their homework.

### It all adds up

We're looking forward to all the fun of Numbers Day, and we really appreciate your support. All the money we raise at Sutton Road Primary will make an enormous difference to children today and help change the lives of children tomorrow.

## Reading Mornings!

These are the themes for our Wednesday morning reading club:

**Darren Shaw and spooky books - This week**

Fiction - 6/2/2019

Electronic books - 13/2/2019.

## Sports Fact of the Week

Taking part in sport improves sleep. We know just how important sleep is, and exercising can help you capitalise on these benefits.

## Polling Day

Unfortunately we have a Polling Day that's been scheduled for **Thursday 2nd May**.

School will be closed for all pupils and staff!

**MONDAY**

**OR**

Jacket potato & cheese  
or baked beans or tuna  
& mixed salad

Milk Egg Fish

**DESSERT**

Magic chocolate  
pudding & chocolate  
sauce

Milk Egg Gluten

## The Prevention & Treatment of Head Lice

Unfortunately, we have our little visitors back in school again!

These are a common every day issue but are easily treatable. Early detection and treatment are vital in dealing with head lice and parents / carers are advised to check their children's hair once a week.

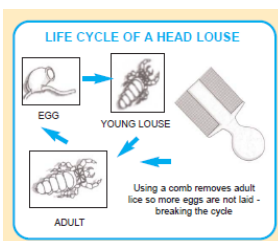

Head lice are small insects, about the size of a match head when fully grown. Their colour varies according to the colour of the hair of they host. They crawl from head to head - they do not fly or jump. Anyone with hair can catch head lice. They are difficult to find in dry hair, but in wet hair, they lose their grip, move slowly and can be combed out.

Two treatments are recommended - wet combing and lotions. It is possible to use wet combing and lotions separately, but it is best to use both treatments together.

If you do not normally pay for your prescriptions, you can receive any necessary medication free of charge from the pharmacy under the Pharmacy First scheme.

Please let us know if you would like any support from school as we are more than happy to help.

Thank you all for your ongoing support with this - together we can 'Hit the Nit!'

## Important dates for your diary

Friday 1st February 2019	-	Numbers Day
Saturday 2nd February 2019	-	Shop for schools Starts
Thursday 14th February 2019	-	Olympic Athlete in school
Monday 18th February 2019	-	First Day of February half term holidays
Monday 25th February 2019	-	First Day back at school
Saturday 2nd March 2019	-	Shop for School ends
Monday 11th March 2019	-	4EP Library Visit

Monday 2nd September 2019	-	First Day back at school
Monday 21st October 2019	-	First Day of October Half Term Holidays
Monday 4th November 2019	-	First Day back at school

### F1 News

F1 have been learning about Chinese New Year. We were so excited after watching the dragon dance parades that we made our own Chinese Dragon and took it onto the field. We played instruments and waved as the dragon moved around us, taking it in turns to be the leader of the dragon. We even got to try some Chinese food at the end of the week!

### PE Leadership

On Tuesday 22nd, 8 children attended a PE leadership training course. These children are going to be the new Sutton Road PE forum and will advocate PE around our school. They will take up a range of responsibilities including promoting, inspiring and leading sessions.
