Dear Year 4 Parents,

You may be aware that next week is our Statutory Assessment Week for all of our children in year 6. This involves the children sitting a number of National Tests each morning next week in Reading, Maths, spelling, grammar and punctuation.

This is our first year of having 90 children in year 6 and as such we have had to review how we plan the week and how we organise the rooms being used for the tests.

For next week (Tuesday to Friday) our Year 4 children will have their morning lessons in our new art room, small hall or our computer room to allow us to spread the Year 6 children in multiple rooms.

The Year 4 team have carefully planned what the children will be doing to make the most of the morning sessions and are looking forward to some of the artwork they will be doing in our new art room. We would like to ask that our year 4 children to go straight into the small hall as they arrive in the morning and the staff will bring them back over to their usual classrooms once the tests are finished.

The children will still be dismissed from their usual pick-up points.

Many Thanks for your continued support,

**Mrs Emma Severn**  
**Head of School**
