Dear Parents and Carers,

Sutton Road Primary
School and Nursery

Mansfield
Nottinghamshire
NG18 5SF

On **Thursday 29th June**, we would like to invite you to our first 'Talking Points Café' in the main hall from 2.45pm.

To follow on from letter that was sent out last week, this is an invitation to see what your children learn in our Talking points programme.

The programme uses age appropriate picture books and videos as a starting point to get children talking about their own health and mental wellbeing, their understanding of themselves, their emotions and those around them. It also teaches children the importance of being a good listener, a good friend and how to be brave and how to stay safe in many situations and who to speak to if they are ever worried or concerned. It also supports children in understanding about different families, relationships, religious differences and stereotypes.

During our Café, you will be able to look through the books we read, look at examples of our work and see the key themes and discussion questions that we talk about in each year group.

Tea, coffee and biscuits will be provided and we will have our wonderful diversity ambassadors available to show and talk to you about what we do.

We, Miss Smith and Ms Helliwell-Moore, will also be around to answer any questions you have about our lovely Talking Points lessons.

Hope to see you there,

Miss Smith and Ms Helliwell-Moore
