On Thursday the Y5/6 team played their final friendly of the season against Northfield Primary School.

After a shaky first 10 minutes and conceding early goals, the team soon rallied together and played the football that we have seen throughout the season. Northfield had some bright players who linked up play nicely, but Sutton Road were resilient in defense and Oliver our goalkeeper played one of his best games of the season making some excellent 1-1 saves to keep the score line down. After being behind at half time the team worked hard with Jack in midfield given the task of marking their best player, which took the sting out of their attack. Corey scored a goal back for Sutton Road, however this wasn't enough to grab a point in the end.

Time 2 Chat:

For this weeks time to talk we would like you to encourage your child to use their imagination. Ask them to imagine they have found an old lamp. You could ask them questions such as:

What do they think will happen if they rub it?

Do they think it is magic?

Will a Genie appear?

What would they wish for?

What would happen?

Would they go on an adventure. If so, where?

What would happen?

Would they keep the lamp or try and find out who it belonged to?

Happy talking 😊

EYFS

F2 have enjoyed a visit to our new school library this week. We enjoyed sharing lots of different books with each other. We found some of our favourite stories like The Gruffalo and we found some new stories that we really enjoyed. We even found some non-fiction books about dinosaurs which helped us with our Vehicle learning.

KS1 (Years 1 and 2)

Year 2 have recently been looking at the impact of exercise and why it's good for you. We have discussed and researched about the various benefits of exercise and the range of differing types of exercise that the children get. We have then experimented with trying to take our heart rate to see what happens to it when we exercise. It was certainly fun to do lots of exercise too!

KS2 (Years 3 and 4)

4AO loved their penalty shoot out coaching with the Mansfield Town coaches and our photographer Faith took some great action shots!

KS2 (Years 5 and 6)

Our Year 6 children are currently taking part in transition sessions at their secondary schools they will be starting in September.

Sherwood Area Partnership is a partnership of 50 local primary schools who work together to support children's social/emotional wellbeing, mental health and behaviour needs. The partnership is supported by a small team of professionals who work across the schools offering support to schools and families. Hannah McKie is the parent support worker who can support parents when they are worried about their child's wellbeing or behaviour. Hannah is a friendly listening ear for parents looking for help or someone to talk to. Please come along and join our Walk and Talk sessions if you'd like to meet Hannah to see if she can help – see poster for details.

We would love for you to join us.
