## Baily House Visit

The Year 1 children invited the staff and residents from Baily House to share their knowledge of identifying trees, they talked to the residents about the planters, how they needed to be prepped and what they had to do.

The children were so excited to show the residents the planters and they talked about what plants need to grow. The staff and residents were then invited into our library and 1LS to share a book which the residents loved, and some children were very keen to share their work from the vehicle books which made everyone smile. The staff at Baily House all commented on how polite and how lovely the children all were.

Year 1 you were a credit to the school, well done.

What did they enjoy learning about the most?

What was their favourite activity?

Which trip/visitor did they enjoy the most?

Which was their favourite vehicle and why?

What was their favourite area of learning and why?

Can they remember what they have learnt this year?

Happy talking 😊

## EYFS

The staff in nursery want to say how proud we are of all of the amazing nursery children and all of the progress they have made this year. It has been amazing seeing you all grow and learn. We are looking forward to spending one more week with you before we have to say goodbye! Good luck for next year everyone!

## KS1 (Years 1 and 2)

In Year 1, the children have been very busy over learning about bees and creating a fact file focusing on what they look like, what they eat, where they live and showing their knowledge with a did you know question. For each lesson, the children could choose how they presented the facts and then at the end of the week they collected all their facts together, added pictures and spend along time presenting it. We have been blown away with the fact files and I know the children are very proud with what they have created and have enjoying sharing their achievements with friends and other staff in school. Well done Year 1, what a super end to a fantastic year!

## KS2 (Years 3 and 4)

'On Thursday, year 3 took part in an Art Day. We all had lots of fun singing some songs and learning a Hip-Hop dance. We also experienced a silent disco for the first time which we loved! In the afternoon, we all designed and created a superhero mask. We did a fabulous job too!

## KS2 (Years 5 and 6)

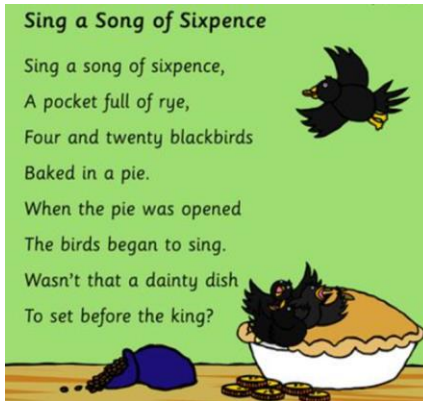

Year 5 had an amazing day on Thursday at Creswell Crag. Some people got to go on the train for the very first time! We did some rubbings and explored Creswell Crag and went into the museum 😊.

## Nursery Rhyme of the week

### Sing a Song of Sixpence

Sing a song of sixpence,  
A pocket full of rye,  
Four and twenty blackbirds  
Baked in a pie.  
When the pie was opened  
The birds began to sing.  
Wasn't that a dainty dish  
To set before the king?

Year 3 and 4 had an awesome time at our Art day on Thursday 13th.

We got to experience workshops for singing and hip-hop dancing, superhero mask-making and even had a silent disco.

Alisa decided that "the person who invented silent disco is a genius!" All of the Year 3 and 4 staff totally agree!
