

In our assembly we have been thinking about making things accessible and the children spoke about how some beaches in Europe have been made accessible for people with mobility issues.

Football

Our year 5 team (David, Ben, Ross, Louie, Fraiser, Oscar and Kian). Travelled to West Notts College on Tuesday to play in the annual ESFA national competition. The winners would represent Mansfield in the Nottinghamshire qualifier.

There were 10 teams who entered the competition from across Mansfield. Our team was playing a year above with most schools bringing a year 6 team, however they didn't look out of shape. We secured 1 win, 2 draws and 2 defeats in the afternoon meaning we finished in 4th place. David was the player of the competition who was superb in goal once again for the school team and the two goal scorers were Kian and Fraiser.

There were lots of promising moments in the competition and we are confident that the team will perform well this year in the Mansfield schools football league, having big shoes to fill with last years Y5/6 team winning the plate competition.

Reading Update

Our Monster Phonics Day will be on **Thursday 5th October**. We are inviting children in Early Years (Nursery and F2), Year 1 and Year 2 to come to school dressed up as one of the Monsters (see separate letter for dress up ideas). This is a fun day where we focus on all the different Monster characters and take part in activities learning about them and the phonemes they represent.

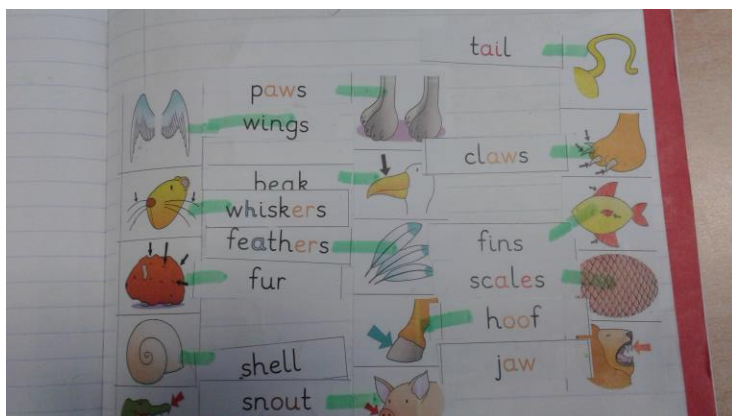

This week in Nursery we have enjoyed talking about our families. We spoke about who lives in our home with us. We have been really busy creating our families with the playdough, using sticks and stones and by drawing and painting pictures.

Year 1 have been learning about the body parts of pets they have learnt lots of new vocabulary (hooves, fins, scales, claws, paws) and were fantastic at remembering the body parts humans share with pets.

They have matched the words to the pictures to create a word bank to help them with their work and then chose a pet to label.

Year 3 have been learning about Stone Age cave art. This week, we've completed Artist Studies and learnt about how and why Stone Age people used to create cave art. We've also worked with Mr Kemp using oil pastels and paints to create our very own Stone Age artwork!

Year 5 have enjoyed continuing their World War 2 vehicle this week, learning about the Blitz and how people were affected. In Maths we used our rounding skills to solve the mystery of the missing Jewels. We have been continuing our French topic 'ma famille' learning about all the names for our relatives in French.

Staff are available to talk to briefly, before or after school (but please remember they may need to arrange an alternative time if you need a longer chat).

For non-urgent matters each class teacher also has a class email address that parents can use, these are checked every school day by the teacher.

If you are not sure of your class email, take a look at the school website or follow the QR code opposite 😊
