Dear Parent/Carer

Our Vehicle work this term is all about saving our seas from plastic pollution. As part of this work, we have been litter picking around school. The children are aware that rubbish can be blown into rivers and then these rivers flow into our oceans. To develop this Vehicle further this term, Year 2 will be visiting the River Maun to do a community litter pick.

We are fortunate to have links with the Maun Conservation Group who have happily agreed to support us with our community work. They will be sharing their knowledge of the River Maun Conservation area and helping with the litter pick.

The visit's take place-
2MD-Friday 10th November
2KT- Friday 17th November
2LS- Wednesday 22nd November

We will be leaving the school at 9.00am and will return at 11.30am in time for dinner. It will be a non-uniform day but please wear a school jumper or cardigan. Wellingtons, boots or trainers are to be worn and school shoes to be brought to school to change into when we get back. Warm clothing and a coat may be required if it is forecast wet weather as we will be outside.

We also need parent volunteers in order for the trip to go ahead to help with walking to and from the River Maun. If you are able to help, please let your child's class teacher know as soon as possible. Thank you for your support.

Yours sincerely

M Dixon, K Thomson, L Stewart

The Year 2 Team
