

FANTASTIC OPPORTUNITY FOR OUR YEAR 5 PUPILS

Dear Parents/Carers,

For a number of years children at Sutton Road Primary have had the opportunity to enjoy a fabulous extended visit in and around the Bamburgh area of Northumberland. The children that took part had a wonderful time.

Once again, we will be able to offer places to our children in year 5 to take part in the visit this year in June 2024.

The proposed itinerary will be as follows:

Monday 17th June - Travel to the Sunningdale Hotel visiting Beamish on the way, evening activities on the green

Tuesday 18th June - Boat trip to the Farne Islands, crazy golf and the afternoon on the beach, evening activities on the green

Wednesday 19th June - Visit to Cragside House and Gardens, evening activities

Thursday 20th June - Travel home with a visit to the fascinating Life Museum in Newcastle on the way.

The final cost of the visit has not yet been confirmed but is likely to be between £270 and £280 per child. This includes hotel accommodation, with all meals provided during our stay, coach travel to all the places we visit and entrance fees to all attractions. We are letting you know about this early so that the cost can be spread out and paid in instalments via ParentMail over several months - details will follow.

We realise many of you may be interested but will have lots of questions regarding the trip, so we are holding an information session on **Tuesday 28th November in the Small Hall (Moor Lane Building) at 3.15pm** to share details of the trip and answer your questions without you having to make any commitment on the night.

If you would like to find out more, please either complete the online form or return the slip to the school office as soon as possible.

Yours sincerely,

Nicola Davies

Executive Head Teacher

Name of child _____ in class _____

I will be attending the Bamburgh 2024 Parents/Carers Information meeting on Tuesday 28th November

☐

I am unable to attend the meeting but would like further information

☐
