

Leon's Legacy

Year 2 have had great fun with Libby from Leon's Legacy showing them some first aid. The children tried CPR on the dummies and then they all tried the recovery position. They became paramedics like Libby and 2MD tried putting bandages on and slings. 2LS and 2KT are bandaging and putting slings on this week. Leon's Legacy is an amazing charity that donates defibrillators to schools and workplaces and we are fortunate enough to have one in school that all staff have been trained to use it.

If you would like to donate to the charity they have a just giving page and a Facebook page.

Leon's Legacy - JustGiving

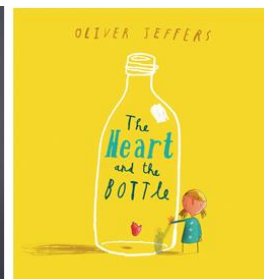

Children from Year 4, 5 and 6 were invited to the library to take part in a fostering campaign. The children shared what family means to them by decorating a leaf and including it on the new mural in Mansfield library.

Feedback from Notts County Council - *"The children were fantastic and it was great to see them get so involved in the activity and all of the additional requests for holding the ribbon and photos! They were a credit to themselves, their teachers, and the school, and we loved having them at the event."*

Reading Update

Author of the Month – January

Our Author of the Month is Oliver Jeffers. Oliver is from Northern Ireland but he now lives in Brooklyn. His first book 'How To Catch A Star' was published in 2004. His books have been translated into 35 different languages.

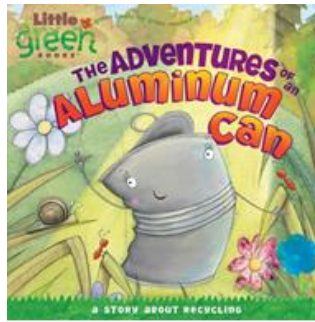

F2 have been out and about exploring light and dark as part of our vehicle. The children were invited, with their grownups to go for a walk around the school grounds using their torches. We looked up in the trees, into the bushes and down holes to see what we could find. Thank you to all those who were able to join us and support the children with the walk.

In PE Year 1 played a warm up game muddy puddles we had to walk around and jump 2 feet to 2 feet over a cone when muddy puddle was shouted. If **park keeper** was shouted, we had to walk around a cone and carry on when, **storm** was shouted, we had to put a cone on our heads and wait until the storm was over. It was good fun. We then practised the gymnastics shapes- tuck, star, straddle, pike and stretch. We jumped from 1 to 2 feet, 2 feet to 2 feet and 1 foot to the other foot before jumping using the shapes.

Year 4 have been finishing their Frida Kahlo style self-portraits, trying to recreate one of her natural backgrounds! Do you think they look like us?

In English, we have been learning about the journey that a plastic bottle and an aluminium can take. We have discovered how they are made and what can happen to them once they have been used. We will be writing a first-person narrative, as if we are the objects, before half term.

Holidays in term time

You have to get permission from our head teacher, Mrs Severn, if you want to take your child out of school during term time.

You can only do this if:

- you make an application to the head teacher in advance (as a parent the child normally lives with)
 - there are exceptional circumstances
- It's up to the head teacher how many days your child can be away from school if leave is granted.

When your child can miss school

You can only allow your child to miss school if either:

- they're too ill to go in
- you've got advance permission from the school

Our PRIDE of Sutton Road

(Personal Responsibility in Delivering Excellence)

Well done to our **ALWAYS** children who take pride in everything they do and our **MENTIONS** children who were chosen this week

Staff are available to talk to briefly, before or after school (but please remember they may need to arrange an alternative time if you need a longer chat).

For non-urgent matters each class teacher also has a class email address that parents can use, these are checked every school day by the teacher.

If you are not sure of your class email, take a look at the school website or follow the QR code opposite 😊
