

## Year 6 SATS 2024

**Our Year 6s are being amazing and working hard on the SATS.**

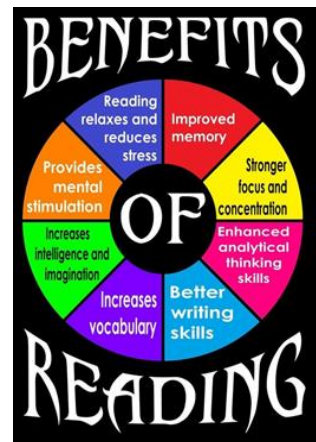

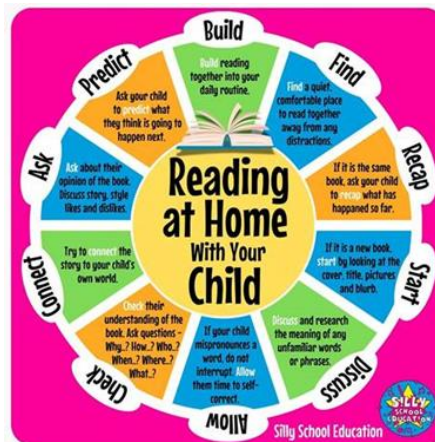

## Football News

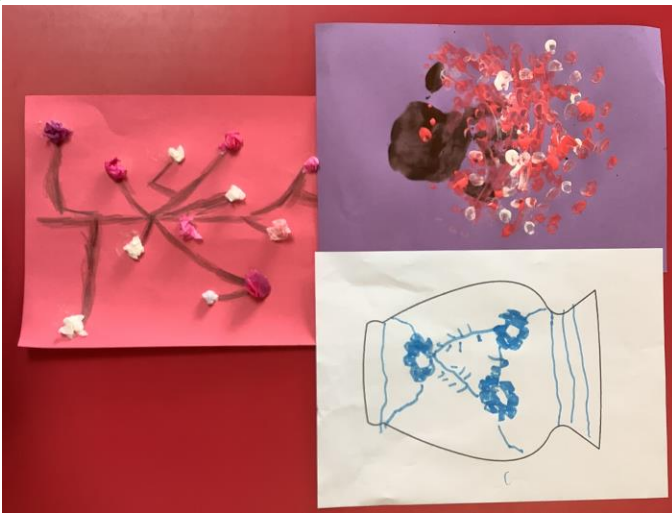

Last week the Y3/4 team played two games against St Peters and Peafield lane. Everyone who played did the school so proud! There is one more game left against Ladybrook later this half term 😊

## Reading Update –

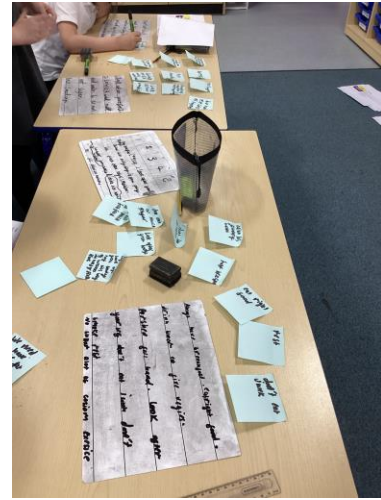

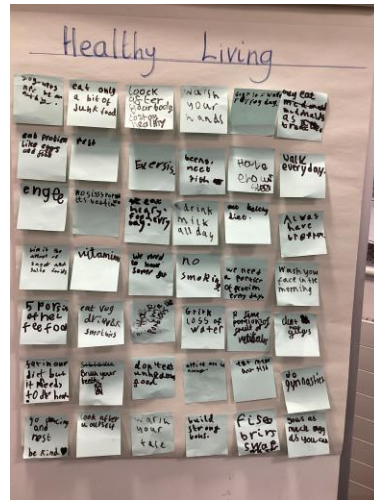

Here is a quick guide to help you support your children with reading at home. Reading for pleasure has been found to improve our confidence and self-esteem, providing the grounding we need to pursue our goals and make life decisions. It can also aid our sleep and reduce feelings of loneliness. Feel free to come and borrow a book from our school library to get you started!

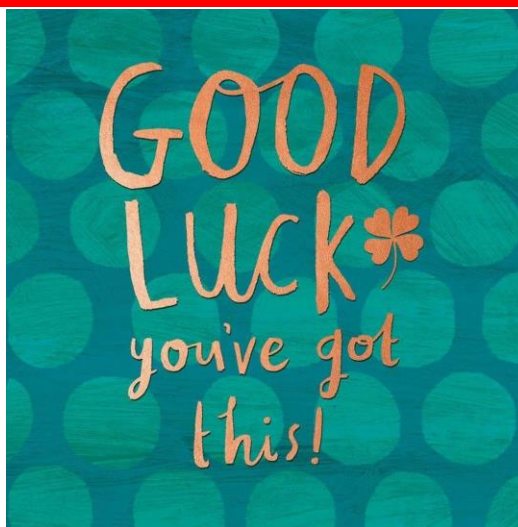

As part of our vehicle this half term, the children have been imagining what it is like to go on a journey from England to Australia. They have been learning about some of the different countries they may pass through, and our latest country is China. The children have been creating some beautiful blossom pictures, the national flower of China.

The Year 2's have been looking at healthy living in English. We have researched how we keep healthy and worked in small groups to write notes. We came up with lots of ideas. After watching some videos and reading some information text we wrote ideas on Post-Its.

Year 4 have been investigating the game of Boccia this week to be able to write a set of instructions for a competition. Boccia is an inclusive game and we looked at how it could be adapted to support different needs such as visual impairments, auditory impairments or physical impairments.

Good luck to all the year 6 children for SATs which take place Monday 13th – Thursday 16th May. We are running a free breakfast club for the year 6 children starting at 8am. Many thanks. The Year 6 team 😊
