Nursery have been to White Post Farm on their class trip. The sun shone and the children along with parents and staff had truly wonderful day! We would like to thank the FSR for supporting us with our trip too.

Early Years – F1 & F2

Year 1 have been comparing and grouping animals by their different characteristics. They have developed their previous work on sorting into the groups- mammals, birds, fish, amphibians and reptiles to looking at what animals eat. They learnt that herbivores eat plants, carnivores eat meat and that omnivores eat both plants and meat.

Years 1 & 2

Year 3 have had a busy week doing their Summer Assessments, but they have still had lots of fun! Some of the things they have enjoyed include the class swap and getting to know their new teachers, and having the opportunity to design a Feeding Mansfield Logo for a local food bank.

Years 3 & 4

Year 5 had the best time at their sports day. 5CC came out on top as the winners!! Thank you to Mr Marshall for arranging a great afternoon and to all the parents who came 😊
