

Transform Trust Children's Awards

Some specially chosen children had an amazing time at the Transform Trust Children's Awards on Tuesday this week. They were selected by their classmates as being people who represented one of the four Values of the Trust which are Respect, Kindness, Equity or Creativity.

They were all invited, alongside children from other schools in the Trust, to receive their award at a special ceremony at Derby Cricket Club.

The Trust CEO Mrs Meredith presented these personally. Some very proud staff and parents went along to watch too.

In maths, the children have been developing their knowledge of patterns. The children used a variety of different objects to make repeating patterns, sometimes with 2 different objects, sometimes with 3.

Year 2 took part in their sports day today! We all had lots of fun whilst practicing our skills.

We would like to thank Mr. Marshall and the Sports crews for their support in organizing this event.

Here are some photos and videos of 2KT taking part today.

The top 3 classes today were:

1st 2LS

2nd 2KT

3rd 1NG

Congratulations to all classes!

Year 4 are creating their own special-edition chocolate packaging as part of their learning for this half-term. We have researched different types of net to see what shapes work well and we have looked at existing packaging to further investigate shapes, designs and whether the materials are environmentally friendly or not.

A massive well done to all the year 6 children on some fantastic SATs results. We are so, so proud of you all
