Tuesday 17th September

Dear Parents and Carers,

We are a school with a wide variety of languages from throughout the world. Next week is the officially recognised “European Day of Languages”. As a school, we would like to share our pride in our diversity and recognise this European language day across the school by celebrating on **Tuesday 24th September**.

Each class has already chosen a particular European language to celebrate on the day. Children are invited to either dress in the colours which represent the country or countries who use that particular language or should they wish to, dress in a traditional costume. In addition, we would like to invite family members to join us in school to share their European languages by reading stories, sharing folk stories or even teaching the children a few words! If you would like to support on the day, please contact your class teacher to make arrangements.
