

PE and Sports Funding at Sutton Road Primary & Nursery School

Our Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a **healthy, active lifestyle** and lifelong participation in physical activity and sport.

Information from the DFE:

Purpose

1. In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.
2. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. For the academic year 2023/24 schools with 16 or fewer eligible pupils receive £1,000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.
3. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Our PE and sports funding is received for each child. Our grant for this year is **£20,966**

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Our School Priority:

This year, we are going to try and see improvements on all the 5 key indicators with an increased focus on key indicators 2 and 5.

Reflection on the impact of Year 2023-24 Funding:

Key achievements to date until July 2024	Areas for further improvement
<p>Through the Mansfield school games partnership we have been able to participate in a number of competitions throughout the school year focusing on participation and competition.</p> <p>We have been able to maintain our Platinum School Games award for another two years showing our commitment to developing school sport and competitive games.</p> <p>Y5 and Y6 children have been able to access swimming provided by NCC at Rebecca Adlington swimming.</p> <p>The PE hub scheme has had a full year in operation, and we have seen an improvement in the PE delivery for all years, including better adaptations.</p> <p>We have embedded the active learning within lessons with the expectation that one activity in every lesson should be active to support learning.</p> <p>We delivered staff meetings and drop in sessions about what a good PE lesson looks like and completed learning walks to identify areas of strength and areas that require improvements.</p>	<p>To continue to develop pupil voice to shape the future of our ASC provision.</p> <p>To continue to extend our competitive sport offer by offering opportunities for children to participate in a wider range of competitive sport against other schools.</p> <p>To utilise the PE Crew to generate data on what the kids love about PE and school sport and how we can make PE and School sport more engaging for children in school.</p> <p>To assess the provision provided by Mansfield Town FC Primary Stars for the academic year 2024-25</p>

<p>We have offered a wide range of opportunities for children to participate in competitive sport by holding 'A', 'B' and 'C' team football games.</p> <p>We have extended our competitive sport offer to all of KS2 with the aim to widen that next year, through School Games we will enter a wider variety of sporting competitions.</p> <p>We have restocked the PE cupboard so that all children have a greater opportunity to participate in sports.</p> <p>We have extended our ASC provision offering a wider variety of clubs to children in all years.</p> <p>We have assessed the delivery offer of Nottingham Forest Primary Stars and decided to pursue a different pathway next academic year to develop and strengthen our offer.</p>

1,3,4 and 5	To quality assure provision, focusing on the quality of experiential learning challenge opportunities we provide.	To have a fully stocked PE cupboard to deliver the current and new PE curriculum	Actual £2284.00	A fully stocked PE Cupboard	More children can actively participate in PE lessons Children will experience and learn new sports including Paralympic sports	To plan 4 Paralympic sports to be delivered to Y3-6 in 2024-25 academic year	
Total planned Spending at this stage			£18,521				
PE Funding			£20,966				

What is the impact of the PE and Sports Premium?

Swimming

Swimming is an important skill and can encourage a healthy and active lifestyle. After working closely with school swimming, we have developed a strategy to improve results at the end of Key Stage 2. As a school we provide Swimming lessons to all children in Y5 and Y6 for 12 weeks, therefore by the time children leave school they will have received two blocks of swimming totalling 24 weeks. The programme of study for PE sets out the expectation that pupils should be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- Perform safe self-rescue in different water-based situations.

To ensure all children achieve these expectations, we organise additional swimming sessions for year 5 and year 6 pupils who have not met the expected standard.

Last year, we had 59/90 children achieve national curriculum.

Swimming and Water Safety	Percentages
What percentage of your Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	65%
What percentage of your Year 6 pupils can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	65%
What percentage of your Year 6 pupils can perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

All children accessed water safety lessons and engaged with drowning prevention awareness.

External Provision 2023-2024

Year Group	Sport	When	After School Club
Year 1-6	Forest premier league primary stars coaches delivering cricket and gymnastics curriculum	Thursday Friday Autumn term	Yes- Y5/6 Cheerleading Yes – Y1/2 Gymnastics Yes – Y3/4 Change 4 life club Yes – Y1/2 football club Also, they run sports leaders and PE crew at lunchtimes.
Year 1-6	Dance	Tuesday	Yes Y3/4 Dance Yes – Y5/6 Dance Yes – Y1/2 Dance

We run a range of afterschool activities for children to develop the enjoyment of physical activities. Some of these clubs are run as coaching sessions in preparation for competitions, others have a focus on the development of a healthy lifestyle.

Intra School Competitions			
Year 3 Football Festival	Year 3 students	Ran by Mr Marshall	
Year 4 Football Festival	Year 4 students	Ran by Mr Marshall	
Year 5 Football Festival	Year 5 students	Ran by Mr Marshall	
Year 6 Football Festival	Year 6 students	Ran by Mr Marshall	

How we make our PE and Sports Premium sustainable?

We use our PE funding to make additional and sustainable improvements to the quality of PE and the sport we offer, for example we use the funding to:

- Provide staff with additional training to meet emerging needs. This allows staffs development, ensuring the provision that school provides is continually improved. As a result, staff are planning effective sessions for their children which further develop their knowledge, skills and motivation.
- Introduce new sports and activities along with training to further engage pupils in sports. The funding is used to buy new equipment so that this can be delivered in school. As a result, we are offering a larger range of sporting activities.
- We invest in planning tools which strive to develop cross curricular links within out PE. These are shared with staff and aim to engage pupils within their learning.
- Hire qualified sport coaches to work with teachers, to develop the skill base of staff. This is further supported by the use of learning journals, which supports staff in future planning. Staff are able to plan good lessons which continually develop physical literacy.
