7th October 2024

Dear Parents/Carers,

As you are possibly aware, we are now preparing our year 6 children for our Summer Term SAT's tests. Part of our provision is to give some extra 'booster' support to all of our pupils as we know from experience, they will benefit from extra provision to help them achieve by the end of year 6. We will be providing some extra 'booster' sessions for Maths and reading after school and SPAG during school time. We are therefore writing to invite your child to attend our booster sessions:

- **Maths and reading booster sessions.** These will take place every **Monday after school until 4.15pm** in 6CC, 6LFN and 6HM (they will start on Monday 4th November).

These sessions will be led by staff within school. The children will be provided with a small snack and drink during this time.

The pupils will be spoken to about their need to take this support seriously as it is a big investment in them from the school. It will also be explained that poor attendance, attitude or behaviour whilst attending the booster sessions which prevents others from benefitting, will result in them having to be considered for taking out of the group.

We hope you will support us in explaining how beneficial this could be to your child and look forward to working with you in helping your child achieve their best.

Please can you complete the attached reply slip if you are happy for your child to attend.

Thank you for your ongoing support,

Mrs Mitchell, Mr Fletcher-Newbold and Miss Cornell.

Year 6 Maths and reading boosters

I give permission for (Name of child):..... to take part in the:

Maths booster session on Mondays after school until 4.15pm

My Child will be collected from the Y6 classrooms after boosters.

My child is allowed to walk home after boosters.
