Utilita Football Rebooted

Our school has teamed up with Utilita and their Football Rebooted campaign, this campaign is run across the country aiming to repurpose football boots and football trainers and save them going to landfill. You can find out more by visiting their website [Our Story – Football Rebooted | Utilita Energy](#)

Our school now has a collection box for football boots to be donated, recycled and reused. Parents and children can recycle their old football boots at our collection point that will be outside the Year 4 door with Mr Marshall at the start and end of each day for the next two weeks.

All the donated boots and trainers will be donated and handed out to children at our school who would like to take advantage of the rebooted scheme and donated to local charities.

We ask that all boots that are donated are clean and can be re-used again.

As a school we are grateful for any donations, there will be more information to follow on how you can get in touch with us to have access to the donated football boots and take advantage of re-using boots for your children.

Thank You
Mr Marshall
PE Lead
