Dear Parents and carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 7th February 2025 and will be planning activities through the week.

### Children deserve an equal start in life.

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

### Making maths meaningful.

On Friday 7th February 2025 we will be using fun curriculum-based maths challenges designed by teachers at Sutton Road Primary. To help raise money for the NSPCC, we are asking pupils to collect sponsorship / donations using the enclosed sponsor form (see reverse). Children could raise money by one of the following: moving up in their superhero times table tests, winning a Times Table Rockstars battle, or counting in 2s, 5s and 10s. (Year 1)

We are opening up our classrooms so that you can join us to solve maths problems, but due to the size of the school we are doing this over several mornings. This will also give you the opportunity to have a look at what methods your children are using in their Maths lessons and for their homework.

- Wednesday 5<sup>th</sup> February 2025 – EYFS and KS1 (8.30-9am)
- Thursday 6<sup>th</sup> February 2025 – Year 3 and 4 (8.30-9am)
- Friday 7<sup>th</sup> February 2025– Year 5 and 6 (8.30-9am)

Don't worry if you are unable to make the morning, we will be putting extra challenges on Facebook for families to try at home and on Times Table Rockstars (for years 2-6).

### It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Sutton Road Primary will make an enormous difference to children today and help change the lives of children tomorrow.

Many thanks for your support.

Mrs Mitchell (Maths Lead).
