Dear Parent/Carer

We are again holding a 'World of Work' week this week (w.c.16.6.25). We are striving to provide our children with real-life opportunities, experiences and links with employers, that raise the children's aspirations. We also aim to support our children's understanding of their own interpersonal skills and give them a framework in which they can progressively develop these.

We have some adults already booked in to speak to the children but would like to give our future adults as wide an experience of the jobs and skills that adults do as possible. To that end, we are seeking the support of any parents and carers who would be willing to come in and speak to the children about their jobs. This could be by whatever means you are comfortable with - it could be just a short talk about what your job entails, a Q&A session, or looking at some resources - we are really open minded about what it is. We are also really flexible about when it is (it's not a problem if you can't come in next week, whenever it's convenient for you) and also for how long too.

If this is something that could interest you, then please email: office@suttonroad.org.

Kind regards,

Sutton Road Primary School and Nursery
