Dear Parents/carers,

As you will be aware, Year 6 is a very important year in school for your child. It is your child's final year at Sutton Road Primary School and is also the year in which they take their SAT's tests. These will take place w/c Monday 11th May 2026.

Throughout Year 6, staff will be working alongside pupils to help them prepare for these tests as best they can and also to reduce any anxiety children may develop. In order for us all to work closely and successfully with each other, we will be holding a parent's information session on **Monday 6th October 2025**. This will be held at **3.30pm and repeated again at 5pm** in order to give you an opportunity to find out more about this year and for you to ask any questions you may have – this will take place in a year 6CC (downstairs in the main building). This meeting will also cover key information and dates linked for transition to secondary school. Even if you have had older children take SAT's tests before, we recommend you attend this meeting as there have been some recent changes to the testing due to the new curriculum which was introduced in 2014.

Please could you complete and return the slip below to indicate whether you will be able to attend.

We look forward to seeing you there.

Many Thanks

The Year 6 team
