Dear Parents,

Welcome back to all our Sutton Road families, it has been a busy first few days back for everyone after the half term holiday, but it was lovely to see all the children return after the break.

### Swimming Pool

We are pleased to share that our pool has arrived on site for the next 5 weeks and our year 5 and some year 6 children are accessing this as part of the expectations within the PE curriculum. It has been a really positive start and Mr Marshal, and the site team have worked hard to get all arrangements in place for having the pool on site and for organising the timetables for the children.

### Gardening Club

We are please to announce that our Garden Club have been awarded level 2 of the school's **Royal Horticultural Society Gardening Award**. **Well done everyone!**

## Morning Arrivals

Because of the pool being on site and an increasing number of pupils arriving very early before school we will be changing the time of the school gates being opened as we are concerned as children are not supervised when on the school grounds before school. **From 2<sup>nd</sup> March the school gates will not be opened until 8.15am**, as at this time there are more staff around the school site. Please ensure your child doesn't arrive too early to school and arrives after the school gates are open.

Please remember that the classroom doors open at 8.30am and staff are available on the doors to meet and greet the children.

## Parent Conduct

To ensure staff and parents work together effectively, we have a code of conduct for parents and visitors with guidelines on acceptable behaviours.

This Code of Conduct is available on our school website [Sutton Road Primary School and Nursery - Policies](#)

Sadly, a couple of our staff have recently experienced inappropriate conduct from a very small minority of parents which will not be tolerated. We want parents to feel confident and welcomed at our school and our staff want to work together with parents positively to support their child(ren). We therefore expect parents and other visitors to behave in an acceptable way towards members of the school community, whether that be when speaking to members of staff via telephone, emailing or in person.

As always, can I say thank you to the vast majority of our Sutton Road parents and families, for your ongoing support and partnership working, we greatly value and appreciate it.

Yours Sincerely,

Emma Severn  
Head of School
