

Maths

Sequencing numbers 1-50

Put the numbers in order 27, 29, 26, 31, 28, 30, 32

Fill in the missing numbers

16		18	19		21	22	
25	26		28	29		31	
16	18		22		26	28	
42		40		38	37		35

Spot the mistakes

17	18	20	21	22	24
34	35	36	38	39	40
43	44	46	47	48	50

Jack has 9 cars, Tom has 7 more cars than Jack. How many cars does Tom have?
Write a number sentence to solve the problem.

Lucy has 19 sweets, she gave 11 to Katie. How many sweets does she have left?
Write a number sentence to solve the problem.

Challenge - Can you write some word problems for someone else to solve?

Writing

She knew that it hadn't been a good idea to leave the tap running, but now she was starting to enjoy herself...

Can you answer answers to the following questions remembering to use adjectives, verbs and conjunctions (and, so, but, or)?

- Where did her journey begin?
- Where will she go on her adventure?
- What different things will she encounter?
- How will she get back home?

Challenge – Write about where a magic bath would take you.

Reading

Phonics - split diagraphs a-e, e-e, i-e, o-e, u-e

There are 5 split diagraphs- they have a consonant in between
e.g. cake, time

Can you write 3 words using each split diagraph.
Now write 1 sentence using each split diagraph

Book Work

Watch Giraffes Can't Dance

<https://www.youtube.com/watch?v=o0wweS8P-tY>

- How did Gerald feel at the beginning of the story? Why?
- How did the cricket help Gerald?
- How did Gerald feel at the end of the story? Why?
- Did you hear the rhyming words in the story? What word in the story rhymes with floor and home?

Online Safety

Watch episode 1-watching videos. <https://www.thinkuknow.co.uk/parents/jessie-and-friends-videos/> After watching the video and maybe singing along to the catchy song. Have a chat about how we can all easily get upset by things we see online and how important it is to share our worries because others can help take them away. Discuss who we can tell around us that will be able to help us.

Weekly Learning Project

Spring is definitely here and there are lots of signs all around us. What signs of spring can you see in your gardens or when you are on a walk?

Have you seen bluebells, daisies, daffodils, cherry blossom? Have you heard the birds singing and seen them nesting?

Well- being

When you go outside in take a look at the sky. Hopefully there is a lot of blue. Can you see any clouds? What shapes are the clouds making? Do they change shape as they move? Imagine yourself riding on the clouds and what it would feel like.
