8th May 2026

Dear Year 6 pupils,

We all know that next week you are sitting your year 6 SATs tests, these tests are to see what you are able to do and how well you have understood things at primary school. Whilst we know you will be feeling a little apprehensive about next week, the most important thing we want you to remember is that if you try your very best you will make everyone **very, very proud**. It is your chance to shine.

You have worked incredibly hard with your teachers this year and many of you have attended boosters after school or took part in booster sessions in school to help you prepare for next week. So have confidence in yourself and show everyone what you can do! 😊

We have the last few homework activities we want you to do:

Homework activity 1: (Compulsory)

Enjoy the weekend, have fun with friends or family – play games, ride your bike or go to the park.

Homework activity 2: (Compulsory)

Get a good night's sleep, don't stay up to late – we can't do our best if we are tired.

Homework activity 3: (Compulsory)

Spend some time with your family– spend time talking, laughing maybe even singing...

Have a great weekend year 6, make sure you are feeling well rested ready for next week and we will see you on Monday.

The Year 6 Team and everyone at Sutton Road Primary School
