Dear Parents / Carers,

Yesterday our children have had an **amazing time meeting their new class teacher**, they have spent time in their new classroom, so they know where to go in September.

The children were busy creating a piece of artwork that will be proudly displayed in their new classroom in September on their **Class Belonging Display**. I'm sure they will be able to tell you more about what they have created.

The children have also talked about our school values and our mission statement of **P R I D E - Personal Responsibility In Delivering Excellence** and what this looks like in our school.

As in previous years we have reviewed where classrooms are situated for year groups, we have several children (and staff) at Sutton Road who need to be in classrooms on the ground floor to give them appropriate access to our school. The classes for September 2026 will be:

We also find ourselves **saying Goodbye and good luck** to...

Mrs Goodman who is moving onto pastures new in September and will be finishing at Sutton Road at the end of summer term. She has worked with many of our Sutton Road families whilst being in Early Years and KS1 and I know you will join me in wishing her all the best.

Mrs Bower who is moving to a new job in September. She has worked with many of our families when they join the school to help them settle in. Good luck in your new job Mrs Bower from all of us. 😊

Mrs Routledge who will be moving to another school in the trust in September. Mrs Routledge has been at Sutton Road Primary for 11 years, working with many of our families, we know she will be missed by all of us. Good Luck 😊
