**Sutton Road Primary
School and Nursery**

Mansfield
Nottinghamshire
NG18 5SF

Dear Parents,

As shared, we are ready to launch our **NEW Sutton Road Whole School Dojo** ready for September 😊

Why are we moving to Dojo across the whole school?

At Sutton Road Primary and Nursery School we aim to provide a positive learning environment for all children, where effective teaching and learning can take place. We believe that effective communication between school and home is essential to supporting our children.

Please note, if your child was in EYFS over the last couple of years, you will still need to follow the instructions to join the **NEW Whole School Dojo** as the current school page will be closing and we will be launching with our new year groups ready for September 2026.

Parents/guardians can also read all posts in their **preferred language instantly!**

What is Dojo?

- ClassDojo is an online tool which offers many useful features including behaviour management and class and school communication such as through stories or news feeds.
- ClassDojo is free and works on any IOS/Android/ Kindle Fire device or web browser.
- ClassDojo is compliant with GDPR and parents/guardians can give permission for the school to process their child's data on the system when they complete the data processing form.

How does Dojo work?

- Parents/carers are sent an invitation to join the **NEW Whole School Dojo** and receive updates from school and your child's year group. Dojo will be used from Nursery through to Year 6.
- Dojo is secure and personalised to our school and provides information in an easy-to-use format similar to X and Facebook.
- Dojo will help us keep in touch with you about school events, will send reminders, and celebratory messages about learning and community activities.
- On the Year Group story – you will see general year group news, photographs and celebrations, reminders and updates.
- On the School story – you will see news and photographs from across the school, including school events and whole school information – these will also be reflected in our School Facebook Page.
- There is an option for parents to communicate with the teachers in their child's year group – however this must be for non-urgent matters as it will NOT be viewed consistently during the school day when staff are teaching.

What do you need to do?

ClassDojo is only available to parents and children registered at Sutton Road Primary and Nursery School. In order to gain access to the School Dojo Page, we will be asking all parents/carers to sign up to an agreement about how Dojo will be used at Sutton Road and expectations that are in place to keep our children safe (for example, strict guidance around photographs etc.) and ensure communication is effective for school staff and parents.

To guarantee access for the September Launch, please read and agree to the Dojo Agreement by following the link below by Friday 17th July.

After this date parents will be sent details of joining the **NEW Sutton Road Whole School Dojo**
