Dear Parents and Carers,

With the forecast predicting hot weather again for our **Summer Fair on Thursday 9th July**, we are having to change our plans around the summer fair. We know how much everyone looks forward to this event each year, and we do not want to disappoint our school community by cancelling it so will be moving many of the stalls indoors out of the direct sunshine.

The fair will happen mainly in the **front playground** (outside the new build and Moor Lane so we can use the ground floor classrooms around the playground).

At the end of the school day, after collecting your child, please make your way directly to the back playground (nearest to the field) to wait until the fair opens officially to give staff time to dismiss their classes and move onto the stalls. We appreciate your support in helping us ensure a safe and smooth transition from the end of the school day to the start of the Summer Fair.

To support us during the school day, please ensure your child comes to school with:

- A named sun hat.
- A named water bottle.

We will continue to encourage children to stay hydrated throughout the day and will have water available during the fair. There will also be refreshments to purchase throughout the event.

We look forward to welcoming you to our annual Summer Fair and thank you for your understanding and support as we balance providing a wonderful community event whilst keeping the children and you out of the direct heat.

Thank you, as always, for your continued support.

Kind regards,

Mrs Emma Severn
Head of School

& members of the Friends of Sutton Road
