

Maths	
=	<div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> <p><b>Challenge 2 – Perimeter Challenge</b> Can you find the perimeter of the shapes below? Remember the perimeter is the distance around the outside of a shape.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> </div> <hr/> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> </div> </div> <div style="width: 45%;"> <p><b>Challenge 3: Adding and Subtracting Fractions</b> Fill in the numerators to make the answer less than 1. Find three different ways to complete the calculation.</p> <math display="block">\frac{\quad}{8} + \frac{\quad}{8} =</math> <p>Use the example below to help you:</p> <div style="text-align: center;">  </div> </div> </div>
Writing	Spelling
<p>All writing and reading tasks are on Teams.</p> <p>This is a new area for home learning. We've launched an exciting new feature for learning so parents, carers &amp; children can interact with staff for their activities. Details here: <a href="https://bit.ly/2ZYws2H">https://bit.ly/2ZYws2H</a></p>	
Reading	
Flashback	
<p>We looked at light together in our first vehicle in Autumn 1. Can you set up an experiment to test Mrs Wilkinson's hypothesis?</p> <p><b>Mrs Wilkinson says, 'The closer an object is to a source of light, the bigger the shadow.' Is she correct?</b></p> <p>Remember to take a photo of your experiment and send it to your class email addresses if possible.</p>	
Weekly Learning Project	
<p>Our last vehicle this year would be looking at the Olympic games. Your weekly project is to research the history of the Olympic games and create a poster or presentation to inform other people about the history of the Olympics. Once you have completed it, present it to a family member and quiz them afterwards!</p>	

Mindfulness 5, 4, 3, 2, 1...

Find 5 things you can see, 4 things you can touch, 3 things you can hear,  
2 things you can smell and 1 thing you can taste.
