

Maths			
Online In this lesson you'll learn how to find equivalent fractions. https://www.thenational.academy/online-classroom/year-6/maths#subjects Lesson 3 Independent task in books-answers online	Online In this lesson you'll learn how to compare and order fractions. https://www.thenational.academy/online-classroom/year-6/maths#subjects Lesson 4 Independent task in books -answers online	Online In this lesson you'll learn how to calculate fractions of amounts. https://www.bbc.co.uk/bitesize/articles/zjhtpg8 Activity 1 and 2 in your books - answers online	Online In this lesson you'll learn how to calculate percentage of amounts. https://www.bbc.co.uk/bitesize/articles/zvxnv82 Activity 1 and 2 online
<div><div>Offline: Using the graph on the next page, solve these problems:</div><div><div>(a) What percentage of the class walked to school on Thursday?</div><div>(b) One of the days it rained. Which day do you think it was? Explain to your friend.</div><div>2 Order the following numbers. Start with the smallest.</div><div><div>3.1</div><div>$\frac{18}{5}$</div><div>$3\frac{1}{4}$</div></div></div></div>			
English - Newspaper Article			
Online L1: https://bit.ly/3cp6hOQ L2: https://bit.ly/2XQDeyE In these lessons, you'll read a section of Harry Potter and the Prisoner of Azkaban and retrieving information. You don't have to complete both lessons; but you do need to read the extracts shared in both lessons as you'll need these later in the week.	Online https://bit.ly/2ApJzcn In this lesson, you'll look at the features of a newspaper report. You'll look at what grammatical features and what structural features they include.	Online https://bit.ly/3doWOsn In this lesson, you'll look at the how to write, punctuate and include quotes into your newspaper report.	Online https://bit.ly/3eFP5GA In this lesson, you'll plan and write your newspaper – make sure you send a copy to the class email! We would love to read it.
Offline: Write a script for a news reporter, who is reporting on some good news like last week's SpaceX launch. This could be your own version of something you have seen/heard on the news or it could be something you've made up.			
Science - What are the different animal kingdoms?			
Write an answer to- why are fossils important? Today, we are going to recap the different animal kingdoms. https://www.thenational.academy/year-6/foundation/what-are-the-different-animal-kingdoms-year-6-wk3-3 You will need a pen and paper. You will have a selection of tasks to complete throughout the session and a quiz at the end to test your knowledge. Key Vocabulary: Warm blooded, cold blooded, classification, vertebrates and invertebrates			
Transition			
What worries you about starting a new school? Write down the things that worry you. Try to talk about your worries with someone in your house. Can you come up with some solutions together? What would you do if...			
<ul style="list-style-type: none">You lost your dinner money?	<ul style="list-style-type: none">You were late to a lesson?	<ul style="list-style-type: none">You missed the bus home?	
<ul style="list-style-type: none">A teacher caught you on your mobile phone?	<ul style="list-style-type: none">You got lost?	<ul style="list-style-type: none">You forgot your PE kit?	
Think about the different situations and how the outcomes might differ. Create a comic strip showing the same scenario but with 3 different teachers. How might different teachers react? What could you do/say to resolve the situation?			
Well-being			
Create a memory book all about your time at Primary School. What have been your favourite memories from primary school? Are they from Year 6 or from when you were younger? Which members of staff will you remember? What will you miss? You have all grown up so much - this is a time to celebrate that!			

I

There are 25 children in a class.

The bar chart shows the number of children in the class who walk to school each day.
