

Reading

<p>Challenge 1: Available through your child's teams login Listen to the story Are We There Yet? on Teams. What creatures did little bear see along the way? What 2 things did he see that he thought was the sea on the journey? What did he take to the sea? What could he have used so he could find his way to the sea? If you cannot access teams, here is an alternative video available online: https://www.youtube.com/watch?v=rVJx-sckKZo&t=3s</p>	<p>Challenge 2: Can you find or think of another story with bears in it? What words are the same? Does it have the same characters or different ones? Is the ending happy or sad?</p>	<p>Challenge 3: Can you think of words that rhyme with sea? Are they spelt the same or different? Can you find words that rhyme with bear? Please <i>share</i> them with us.</p>

Writing

<p>Challenge 1: Little Bear's mum packed his Dolphin towel in his bag for the sea. What would you take to the beach? What would you take to eat/drink? What might you wear at the beach? Can you write a list of all the things you would pack in your bag for the beach?</p>	<p>Challenge 2: Look at the last picture in the story where Daddy Bear and Little Bear are eating an ice-cream. Can you write a speech bubble for each bear? Remember only the words they say go into the bubble.</p> 	<p>Challenge 3: Available through your child's teams login Can you write a post card from the seaside to your friend or family to tell them what you have done and what you have seen at the beach. If you're not sure listen to the story and look at the picture at the sea. Remember to start with Dear.... And end love from....</p>

Maths

<p>Challenge 1: Take a handful of pasta. Look at the pile, don't count them! How many pieces of pasta do you think there are? Have a guess. Write the number down. Now count them and see if your estimate was near. Now can you share your pasta into groups of 2? How many groups do you have? Are there any left? Now can you share your pasta into groups of 5? How many groups are there? How many are left over? Can you make groups of 10? How many? Send us your pictures please.</p>	<p>Challenge 2: Can you use your pasta to make a pattern? You may need 2 different types or you could use something else you have at home? Can you describe your pattern? It is shell, swirl, shell, swirl? Can you change it? Can you find other things to make a pattern? Please send your photos.</p> 	<p>Challenge 3: Available through your child's teams login See the video for How many sandwiches do I need? The bears are going on a picnic and don't know how many sandwiches they will need, can you help them? Each bear would like to take 2 sandwiches but then they decide to take the dog and he would like 2 sandwiches as well. How many sandwiches will they need now? Can you write down your working out? Could you send a video of you explaining how you found the answer? That would be amazing! (if you cannot access teams, please complete the task below about ordering numbers 1 – 15 instead)</p>

Flashback

If you were a Superhero bug fighter, how could you help people get rid of bugs? What do they need to do? What must they remember? Can you draw your Superhero? Send us some pictures please.

Weekly Learning Project

<p>Challenge 1: Watch the video about your 5 senses. https://www.youtube.com/watch?v=q1xNuU7gaAQ If you went to the seaside what might you hear, see, smell? What might you feel with your fingers? What might you taste with your mouth? I like ice-cream with a lemon top and a chocolate flake, what about you?</p>	<p>Challenge 2: Can you draw your family in a picture? You might want to write each person's name at the side? What is special about your family and the things you do together? We would love to hear about your family.</p>	<p>Challenge 3: How long does it take for an ice cube to melt outside? What makes it melt? Can you make your lolly ice melt? How long does it take? Ask a grown up to help you time how long it takes for you to melt your lolly ice and how long it takes to melt the ice cube? Which was the quickest?</p>
---	--	---

Have a picnic in the garden or at the park. Take your bear with you. Ask a grown up if you can help to make the sandwiches.

Maths Challenge 3 (only if you are unable to access teams)

Teddy is trying to count the numbers 1 to 15. Please can you order each of these numbers to help teddy with his counting.
