

Maths			
<p>Online</p> <p>Today's lesson is focused on multiplying fractions. https://classroom.thenational.academy/lessons/actions-to-multiply-pairs-of-proper-fractions</p> <p>You can complete this in your exercise book. I would love to see your work so remember to email the class email.</p>	<p>Online</p> <p>This session is on dividing fractions by an integer. https://classroom.thenational.academy/lessons/fractions-to-divide-a-proper-fraction-by-an-integer</p> <p>Remember KFC! If you get stuck, remember you can email us or send a message.</p>	<p>Online</p> <p>The next challenge is multiplying and dividing improper fractions. https://classroom.thenational.academy/lessons/fractions-to-multiply-and-divide-with-improper-fractions</p> <p>You can complete the session in your exercise book.</p>	<p>Online</p> <p>Now it is time to practice all of the skills we have covered. This session is focused on solving fraction problems with all of the operations. https://classroom.thenational.academy/lessons/fractions-to-solve-fraction-problems-with-the-four-operations</p> <p>You can complete these in your exercise book. I would love to hear how you get on!</p>
<p>Off line task: Create a poster to explain the steps on how to multiply and divide fractions. Then can you complete these questions.</p>			
English			
<p>This week you have some different offline tasks to select from:</p>			
<p>1) Create a memory book of your time at Sutton Road Primary. Write a paragraph about each year you have been here and what you can remember. Who was your teacher? Did you go on any trips or visits? What is your best memory of each year?</p>	<p>2) Write a letter to your new Year 7 tutor to introduce yourself. Tell your new teacher all about what your hobbies and interests are. What are you looking forward to about going to secondary school? Do you have any worries or questions for them?</p>	<p>3) Write a poem about Sutton Road Primary School and your time here. It could be an acrostic poem with the name of our school down the side to begin each line. It could rhyme but it does not need to.</p>	<p>4) Think about your hopes, dreams and ambitions for the future. Write about what you would like to do when you are older. What job would you like to do? Will you have any children or get married? Where would you like to live and what kind of house would you like to live in?</p>
Science			
<p>Research the life and achievements of William Harvey using these websites. Make notes and then write a biography about his life. On TEAMS there is also a biography outline to help you structure your writing.</p> <p>http://www.bbc.co.uk/history/historic_figures/harvey_william.shtml</p> <p>http://www.zephyrus.co.uk/williamharvey.html</p> <p>http://www.historylearningsite.co.uk/william_harvey.htm</p>			
Transition			
<p>Take a look at your new school's website to familiarise yourself with everything ready for September. Can you find:</p> <ul style="list-style-type: none"> - Your new uniform - A map of the site - Information about staff 			
Well-being			
<p>Imagine you have just finished your first day at secondary school. You had a great day, made lots of new friends and have had some interesting lessons. Close your eyes and think about what an amazing day you have had!</p>			

Year group: 6
